

Lithofin KF Shower Cabin and Bath Cleaner

Description

A special LITHOFIN-Product for every-day cleaning of showers, shower cabins and bathtubs.

Properties

Lithofin KF Shower Cabin and Bath Cleaner is a self acting, disinfecting cleaner which effortlessly removes limescale, soap, etc. and leaves surfaces hygienically clean.

Technical Data: Density: 1,0 g/cm³ pH-Value: <2

Appearance: liquid, clear, yellowish

Odour: fresh

Field of Use

For removing limescale deposits, water stains, soap scum and stubborn dirt from shower cabins made of plastic and glass, from tiles, water tabs, etc. This special cleaner leaves a pleasant smell and inhibits the formation of new limescale deposits.

Directions for Use

First wet the surface (we recommend using the product after showering), then spray Lithofin KF Shower Cabin and Bath Cleaner on cabin, tiles, taps, etc. Allow the product to work for a few minutes, then rinse it off.

In case of stubborn dirt deposits, repeat this procedure and scrub with a sponge.

<u>Please Note:</u> do not use on sensitive surfaces such as polished marble, enamel, copper, bronze, nylon, etc. In cases of doubt, always try the product in an inconspicuous area.

Coverage: approx. 20 to 30m2 per 500ml.

Storage

Closed, cool and dry. Frost-free. Up to 5 years.

Environmental Protection

The contained surfactants are biologically degradable according to EU-regulations. Does not contain any phosphates.

<u>Disposal:</u> diluted product may be added to waste water. Containers are made of environmentally friendly polyetylene (PE). Clean containers can be recycled through collection system.

Safety

<u>Contents:</u> acid; non-ionic surfactants (<5%); amphoteric surfactants (<5%); auxilliary agents. <u>General Safety Information:</u> keep out of the reach of children.

<u>Additional Information</u> is listed on the Material Safety Data Sheet.

ADR2003: not a dangerous good.

Packaging

500ml bottle with sprayer (10 per box)

Please Note: statements concerning environmental and safety issues refer to the product as delivered (concentrated).
