

# Maria Rachel Baimas-George MD MPH

---

## EDUCATION

|   |            |
|---|------------|
| <b>Tulane University School of Medicine</b> , New Orleans LA<br>MD, Doctor of Medicine  | 2013- 2017 |
| <b>Tulane University School of Public Health</b> , New Orleans LA<br>MPH, Master of Public Health - Global Health Systems & Development | 2013- 2017 |
| <b>Colgate University</b> , Hamilton NY<br>BA, Bachelor of Arts - Molecular Biology   | 2007- 2011 |

## POSTGRADUATE EDUCATION

### FELLOWSHIP

|  |                     |
|--|---------------------|
| <b>University of Colorado</b> , Transplant Surgery, Aurora CO<br>Solid Organ Transplant Fellowship<br>Program Director: Kendra Conzen MD | August 2023-present |
|--|---------------------|

### RESIDENCY

|  |                     |
|--|---------------------|
| <b>Carolinas Medical Center</b> , Atrium Health, General Surgery, Charlotte NC<br>Categorical General Surgery Resident<br>Program Director: B. Lauren Paton MD | June 2018-July 2023 |
|--|---------------------|

### INTERNSHIP

|   |                     |
|---|---------------------|
| <b>Carolinas Medical Center</b> , Atrium Health, General Surgery, Charlotte NC<br>Categorical General Surgery Intern<br>Program Director: John M Green MD | July 2017-June 2018 |
|---|---------------------|

### RESEARCH FELLOWSHIP

|   |                     |
|---|---------------------|
| <b>Carolinas Medical Center</b> , Atrium Health, General Surgery, Charlotte NC<br>Carolinas Hepatopancreaticobiliary Laboratory<br>Clinical Research Fellowship<br>Principal Investigator: Dionisios Vrochides MD PhD | July 2019-June 2020 |
|---|---------------------|

## INSTITUTIONAL COMMITTEE ACTIVITIES AND SOCIETY MEMBERSHIP

|   |           |
|---|-----------|
| Chief, Resident Wellness Committee<br>Carolinas Medical Center, Atrium Health                     | 2022-2023 |
| Resident representative, Resident Wellness Committee<br>Carolinas Medical Center, Atrium Health   | 2021-2022 |
| Resident representative, Surgical Mentorship Committee<br>Carolinas Medical Center, Atrium Health | 2021-2023 |
| Resident representative, Organ and Tissue Donation Committee                                      | 2021-2023 |

|  |              |
|--|--------------|
| Carolinas Medical Center, Atrium Health                                      |              |
| Member, American Society of Transplant Surgery                               | 2020-present |
| Member, American Society of Transplantation                                  | 2020-present |
| Resident representative, Hospital Ethics Committee, Carolinas Medical Center | 2019-2020    |
| Carolinas Medical Center, Atrium Health                                      |              |
| Registrar, International ALPPS Registry, Carolinas Medical Center            | 2019-2023    |
| Resident representative, Dept. of Surgery, Diversity & Outreach Committee,   | 2018-2019    |
| Carolinas Medical Center, Atrium Health                                      |              |
| Member, Graduate Surgical Committee, Association of Surgical Education       | 2017-2019    |
| Member, Dept. of Surgery, Resident Advocacy & Wellness Committee,            | 2017-2019    |
| Carolinas Medical Center, Atrium Health                                      |              |
| Member, American College of Surgeons   | 2017-present |

## LEADERSHIP AND COMMUNITY SERVICE

|  |              |
|--|--------------|
| Founder, <i>Women Physician Artist Consortium</i>                              | 2022-present |
| Research and Wellness Chief Surgery Resident                                   | 2022-2023    |
| Founder, <i>TerryBooks LLC</i>   | 2020-present |
| Columnist, <i>General Surgery News</i>   | 2020-2021    |
| Volunteer, Surgical Outreach for the Americas                                  | 2019         |
| One-week surgical mission trip to Honduras                                     |              |
| Leader, Tulane University's Habitat for Humanity                               | 2013-2015    |
| President, Tulane University's Doctors for Global Health                       | 2013-2015    |
| Leader, Tulane University's Sexual Health Elective                             | 2013-2014    |
| Member, one of ten selected students for Tulane's Social Contexts in Medicine  | 2013-2015    |
| Member, Tulane's Orientation Committee   | 2014-2014    |
| Volunteer, Tulane's free health clinics: Grace House, Bridge House, Ozanam Inn | 2013-2017    |
| Volunteer, Big Brothers and Big Sisters, Boston, MA                            | 2011-2013    |
| Volunteer, Pine Street Inn, Boston, MA   | 2011-2013    |
| Founder, Sorella Society (philanthropic charity for abused women)              | 2009         |

## RESEARCH EXPERIENCE

|  |           |
|--|-----------|
| <b>Department of Hepatopancreaticobiliary Surgery</b>              | 2017-2023 |
| Carolinas Medical Center, Charlotte NC                             |           |
| Principal Investigator: Dionisios Vrochides MD, PhD                |           |
| <b>Department of Trauma and Acute Care Surgery</b>                 | 2017-2023 |
| Carolinas Medical Center, Charlotte NC                             |           |
| Principal Investigator: Caroline Reinke MD, Samuel Ross MD         |           |
| <b>Department of Bariatric and Minimally Invasive Surgery</b>      | 2015-2018 |
| Tulane University School of Medicine, New Orleans LA               |           |
| Principal Investigator: Christopher DuCoin MD, MPH                 |           |
| <b>Department of Endocrinology, Hypertension and Diabetes</b>      | 2011-2013 |
| Brigham and Women's Hospital, Boston MA                            |           |
| Principal Investigator: Gail K Adler MD, MPH                       |           |
| <b>Department of Biodiversity, Community and Ecosystem Ecology</b> | 2010-2011 |

Colgate University, Hamilton NY  
Principal Investigator: Catherine Cardelús PhD

**Department of Biology** 2008-2009  
Colgate University, Hamilton NY  
Principal Investigator: Timothy McCay PhD

## TEACHING EXPERIENCE and PRIOR EMPLOYMENT

**General Surgery Clerkship Clinical Skills Instructor** 2019-2020  
Carolinas Medical Center, Charlotte, NC

**Teacher's Assistant (TA) for Master of Public Health** 2014-2017  
Class: Social and Behavioral Aspects of Global Health  
Professor: Kathleen Welch PhD  
Tulane University School of Public Health, New Orleans LA

**Interviewer of Biology Faculty**, Colgate University, Hamilton NY 2011

## CERTIFICATIONS AND ATTENDED COURSES

Hernia Repair Level III dV Procedural Skills 2022  
Intuitive Robotics  
Resident Leadership Institute; selected participant 2022  
Institute of Faculty Development, Atrium Health  
Advanced Surgical Skills for Exposure in Trauma 2020-present  
Professional Development for Women Residents 2019  
Cleveland Clinic, Cleveland OH  
Advanced Trauma Operative Management Certification 2019-present  
South Carolina Full Physician Medical License 2019-2023  
Women in Surgery Leadership Development Conference 2018  
University of Michigan, Ann Arbor MI  
Da Vinci Robotic Surgeon Training Certification 2018-present  
Fundamentals of Laparoscopic Surgery Certification 2017-present  
Advanced Trauma Life Support (expires 2021) 2017-present  
Pediatric Advanced Life Support (expires 2022) 2017-present  
North Carolina Resident Training Medical License 2017-present  
Advanced Cardiac Life Support (expires 2022) 2015-present  
NIHSS Stroke Scale 2015-present  
Basic Life Support (expires 2022) 2013-present

## HONORS AND AWARDS

### Carolinas Medical Center, Charlotte NC

'Best of EGS paper' September Issue– Journal of Trauma & Acute Care Surgery 2022  
For the manuscript: *The physiology of failure: Identifying risk factors for mortality in emergency general surgery*

*patients using a regional health system integrated electronic medical record.*

|  |      |
|--|------|
| First place – Atrium Health<br>The 8 <sup>th</sup> annual Department of Surgery Research Symposium<br>For the podium presentation: <i>Emergency General Surgery transfer to Lower Acuity Facility: The role of right-sizing care in EGS Regionalization.</i> | 2022 |
| ‘Best of EGS paper’ January Issue – Journal of Trauma & Acute Care Surgery<br>For the AAST plenary presentation and manuscript: <i>Emergency General Surgery transfer to Lower Acuity Facility: The role of right-sizing care in EGS Regionalization.</i>    | 2022 |
| Silver Touchstone Award – Atrium Health<br>Awarded for exceptional performance in patient safety, clinical outcomes, clinical efficiency & service excellence  | 2021 |
| Printing Industries of the Carolinas Award<br>Award for best digitally printed booklet   | 2021 |
| General Surgery News National Writing Competition<br>Honorable Mention in Nationwide contest   | 2020 |
| International Laparoscopic Liver Society Abstract Award: \$1000<br>Alpine Liver and Pancreatic Surgery Annual Meeting<br>Madonna di Campiglio, Italy   | 2020 |
| North Carolina/South Carolina ACS Chapter Meeting<br>Committee on Cancer Paper Competition<br>Awarded silver medal   | 2020 |

#### **Tulane University School of Medicine, New Orleans LA**

|  |      |
|--|------|
| Gold Scalpel Award for Surgical Excellence             | 2017 |
| Honors in Surgical Research Elective                   | 2016 |
| Honors in Honor Surgery Elective                       | 2016 |
| Honors in Acute Care Surgery Sub-Internship            | 2016 |
| C Thorpe Ray Award for Excellence in Internal Medicine | 2016 |

#### **Colgate University, Hamilton NY**

|  |           |
|--|-----------|
| Tri Beta National Honor Society                                | 2011      |
| Scholarship for Academic Excellence, Citizen’s Financial Group | 2007-2011 |
| Dean’s List, Colgate University                                | 2007-2011 |

#### **INTERVIEW/MEDIA**

1. Baimas-George Maria. Interview by Helen Osbourne MEd. Health Literacy Out Loud. March 2023.
2. Baimas-George, Maria. “Resident Creates Book Series for Children having Surgery: An easy-to-understand guide for kids and their parents.” Interview by Monica J. Smith. General Surgery News. April 2022.
3. Baimas-George, Maria. “Best of EGS papers: Emergency General Surgery transfer to Lower Acuity Facility: The role of right-sizing care in EGS Regionalization.” Interview by Dennis Kim MD MED FACS. Journal of Trauma & Acute Care Surgery Podcast. January 2022.

10. Baimas-George, Maria. Interview by Annie Szatkowski of Fox 46 News Charlotte. August 15, 2021. <https://app.criticalmention.com/app/#clip/view/555cc5c2-51c2-4c93-a112-34f1124cad75?token=88e2ae3a-0c5c-4ef0-9b2d-a6b74ce9ad99>

## HOBBIES

Writing and illustrating patient educational books  
 Painting (watercolors and acrylics)  
 Harry Potter  
 Exercise  
 Cooking  
 Animal rescue

## GRANT FUNDING

1. **Department of Surgery Research Grant 2019:** Optimizing prehabilitation using VO2 max obtained from Garmin Forerunner.  
 Awarded funding of \$8408.00.
2. **Academic Enrichment Fund Research Grant 2020:** Improving satisfaction, comprehension, and anxiety in pediatric surgical populations: the use of illustrated children's books. Acute care population.  
 Awarded funding of \$10,000.00.
3. **Academic Enrichment Fund Research Grant 2021:** Improving satisfaction, comprehension, and anxiety in pediatric surgical populations: the use of illustrated children's books. Neonatal and trauma populations.  
 Awarded funding of \$12,000.00.
4. **Carolinas Transplant Fund:** Levine Children's Pediatric Transplant Patient Education Research Project.  
 Awarded funding of \$15,000.00  
 6/1/2023 – 5/31/2024

## JOURNAL/SCORING PARTICIPATION

- |  |              |
|--|--------------|
| 1. Reviewer for <i>Hepatobiliary &amp; Pancreatic Diseases International</i> | 2020-present |
| 2. Reviewer for <i>Journal of Surgical Education</i>                         | 2020-present |
| 3. Reviewer for <i>The American Journal of Surgery</i>                       | 2021-present |
| 4. Abstract scorer for <i>American Society of Transplant Surgery</i>         | 2022-present |

## PUBLICATIONS AND PRESENTATIONS

### PEER-REVIEWED ORIGINAL ARTICLES

1. Lorenz W, Yang H, Paton BL, Barbat S, Matthews BD, Reinke CE, Schiffern L, **Baimas-George M**. Virtual triage from freestanding emergency departments: a propensity-score matched analysis of short-term outcomes in emergency general surgery patients. *Surgical Endoscopy*. 2023.
2. Jensen S, **Baimas-George M**, Yang H, Paton BL, Barbat S, Matthews BD, Reinke CE, Schiffern L. Remote triage practices in general surgery patients from freestanding emergency departments: a six-year analysis. *Surgery*. 2023.
3. **Baimas-George M**, Strand M, Davis J, Eskind L, Levi D, Vrochides D. Future Liver Remnant Augmentation preceding Ex Vivo Hepatectomy with IVC Replacement: A strategy to achieve R0 margins. *Langenbecks Archives of Surgery*. 2023.
4. **Baimas-George M**, Yoshino O, Martinie J, Vrochides D. Future liver remnant augmentation preceding robotic hepatectomy. *American Journal of Surgery and Clinical Case Report*. 2023
5. **Baimas-George M**, Ross S, Yang H, Matthews BD, Nimeri A, Reinke CE. Just What the Doctor Ordered: Missed Ordering of Venous Thromboembolism Chemoprophylaxis is Associated with Increased VTE Events in High-risk General Surgery Patients. *Annals of Surgery*. 2022.
6. **Baimas-George M**, Schiffern L, Reinke CE, Yang H, Wexner S, Matthews BD, Paton BL. Deconstructing the roadmap to surgical residency: A national survey of residents illuminates factors associated with recruitment success as well as applicants' needs and beliefs. *Global Surgical Education*. 2022.
7. **Baimas-George M**, Behrn K, Wexner S. Arts and Scalpels: exploring the role of art in surgery. *Surgery*. 2022.

#### NATIONAL SCIENTIFIC PRESENTATIONS

1. **Baimas-George M**, Huckleberry D, Eskind L, Soto J, Levi D, Casingal V, Cochran A, Rein E, Brown J, Vrochides D. The duration of normothermic oxygenated preservation of livers from donation after cardiac death correlates positive with graft function in patients undergoing orthotopic liver transplant. Presented at the Annual Department of Surgery Research Symposium; Atrium Health; Charlotte, NC; May 2023; (**Podium**).
2. Lorenz W, **Baimas-George M**, Yang H, Paton BL, Barbat S, Matthews BD, Reinke CE, Schiffern L. Virtual triage from freestanding emergency departments: a propensity-score matched analysis of short-term outcomes in emergency general surgery patients. Presented at SAGES; Montreal; 2023 (**Podium**).

3. **Baimas-George M**, Paton BL, Yang H, Cochran A, Reinke CE, Barbat S, Matthews BD, Schiffern L. Trauma center status and in-house staffing does not affect outcomes in low-risk emergency general surgery pathology: A case-matched comparison of operative appendicitis and cholecystitis. Presented at the American College of Surgeons; San Diego CA; October 2022 (**Podium**).
4. **Baimas-George M**, Paton BL, Yang H, Reinke CE, Barbat S, Matthews BD, Schiffern L. Management Of Small Bowel Obstructions in Emergency General Surgery Patients Is Not Affected by An In-house Acute Care Surgical Model: An Adjusted Patient Comparison. Presented at the American College of Surgeons; San Diego CA; October 2022 (**Podium**).
5. **Baimas-George M**, Yang H, Paton BL, Barbat S, Matthews BD, Reinke CE, Schiffern L. Virtual Triage Practices in Emergency General Surgery Patients from Freestanding Emergency Departments: A five-year analysis. Presented at the American College of Surgeons; San Diego CA; October 2022 (**Podium**).
6. **Baimas-George M**, Yang H, Paton BL, Barbat S, Matthews BD, Reinke CE, Schiffern L. Virtual Triage Practices in Emergency General Surgery Patients from Freestanding Emergency Departments: A five-year analysis. Presented at the Annual Department of Surgery Research Symposium; Atrium Health; Charlotte, NC; May 2022; (**Podium**).
7. **Baimas-George M**, Schiffern L, Yang H, Paton L, Barbat S, Matthews B, Reinke CE. Emergency General Surgery transfer to Lower Acuity Facility: The role of right-sizing care in EGS Regionalization. Presented at the Annual Department of Surgery Research Symposium; Atrium Health; Charlotte, NC; May 2022; (**Podium**). **Awarded first place for the resident/fellow abstract competition.**
8. **Baimas-George M**, Schiffern L, Reinke CE, Yang H, Wexner S, Matthews BD, Paton BL. Deconstructing the roadmap to surgical residency: A national survey of residents illuminates factors associated with recruitment success as well as applicants' needs and beliefs. Presented at APDS; May 2022. (**Podium**)
9. **Baimas-George M**, Schiffern L, Yang H, Paton L, Barbat S, Matthews B, Reinke CE. Emergency General Surgery transfer to Lower Acuity Facility: The role of right-sizing care in EGS Regionalization. Presented at AAST; September 2021 (**Podium**).
10. **Baimas-George M**, Paton B, Taylor D, Price A, Cospers G, Schmelzer T, Schulman A, Bambini D. Improving satisfaction, comprehension, and apprehension in pediatric surgical populations: The use of comprehensive children's books. Presented at APSA; May 2021 (**Podium**).
11. Watson M, **Baimas-George M**, Thompson K, Ocuin L, Baker EH, Martinie J, Vrochides D, Iannitti DA. Improved Oncologic Outcomes for Minimally Invasive Left Pancreatectomy in Patients with Adenocarcinoma: Propensity Score-Matched Analysis of the National Cancer Database. Presented at the American College of Surgeons; October 2020 (**Podium**).
12. Watson M, **Baimas-George M**, Baker EH, Martinie J, Vrochides D, Iannitti DA, Ocuin L. Failure to Operate on Early-Stage Pancreatic Cancer in the Era of Modern Chemotherapy: An Analysis of the National Cancer Database. Presented at the American College of Surgeons; October 2020 (**Podium**).
13. **Baimas-George M**, Paton B, Taylor D, Price A, Cospers G, Schmelzer T, Schulman A, Bambini D. Improving satisfaction, comprehension, and apprehension in pediatric surgical populations: The use of comprehensive children's books. Presented at the Annual Department of Surgery Research Symposium; Atrium Health; Charlotte, NC; September 2020; (**Podium**).

14. **Baimas-George M**, Vrochides D. Optimizing prehabilitation in hepatobiliary surgical patients using VO2 max obtained from garmin forerunner. Presented at the Annual Department of Surgery Research Symposium; Atrium Health; Charlotte, NC; September 2020; (**Podium**).
15. **Baimas-George M**, Watson M, Passeri M, Murphy K, Iannitti DA, Baker E, Ocuin L, Vrochides D, Martinie JB. Robotic pancreaticoduodenectomy may offer improved oncologic outcomes over open surgery: a propensity matched analysis. Presented at the Committee on Cancer Virtual Paper Competition of the SC/NC Chapters of the American College of Surgeons; September 2020; Virtual (**Podium**).  
*Received 2<sup>nd</sup> place award.*
16. **Baimas-George M**, Watson M, Sulzer J, Salibi P, Murphy K, Martinie JB, Baker E, Ocuin L, Iannitti DA, Vrochides D. Pathologic response translates to improved patient survival after locoregional treatment for hepatocellular carcinoma: the importance of minimally invasive microwave ablation. Presented at the SAGES 2020 Annual Meeting; April 2020; Virtual (**Podium**).
17. **Baimas-George M**, Watson M, Passeri M, Murphy K, Iannitti DA, Baker E, Ocuin L, Vrochides D, Martinie JB. Robotic pancreaticoduodenectomy may offer improved oncologic outcomes over open surgery: a propensity matched analysis. Presented at the SAGES 2020 Annual Meeting; April 2020; Virtual (**Podium**).
18. **Baimas-George M**, Watson M, Sulzer J, Salibi P, Murphy K, Vrochides D, Baker E, Ocuin L, Iannitti DA, Martinie JB. Distal pancreatectomy for pancreatic adenocarcinoma: an evaluation of outcomes between robotic and laparoscopic techniques. Presented at the SAGES 2020 Annual Meeting; April 2020; Virtual (**Podium**).
19. **Baimas-George M**, Watson M, Sulzer J, Salibi P, Murphy K, Vrochides D, Martinie JB, Baker E, Ocuin L, Iannitti DA. Can we stop the bleed? A platelet transfusion algorithm for cirrhotic patients undergoing laparoscopic microwave ablation. Presented at the SAGES 2020 Annual Meeting; April 2020; Virtual (**Podium**).
20. **Baimas-George M**, Pickens R, Watson M, Sulzer J, Murphy KJ, Ocuin L, Baker E, Martinie JB, Iannitti D, Vrochides D. Return to Intended Oncologic Treatment (RIOT) after Trisectionectomy: Associating Liver Partition and Portal Vein Ligation for Staged Hepatectomy vs. Portal Vein Embolization. Presented at the AHPBA 2020 Annual Meeting; March 2020; Miami, FL (**Podium**).
21. **Baimas-George M**, Watson M, Vrochides D, Martinie JB. Robotic pancreaticoduodenectomy. Presented at the SAGES 2020 Annual Meeting; April 2020; Virtual (**Video**).
22. **Baimas-George M**, Watson M, Martinie JB, Vrochides D. Robotic hepaticojejunostomy for common bile duct injury. Presented at the SAGES 2020 Annual Meeting; April 2020; Virtual (**Video**).
23. **Baimas-George M**, Watson M, Salibi P, Thompson K, Baker E, Ocuin L, Martinie JB, Iannitti DA, Vrochides D. Robotic-assisted techniques in pancreatic surgery improves quality of life and recovery. Presented at the SAGES 2020 Annual Meeting; April 2020; Virtual (**Poster**).
24. **Baimas-George M**, Watson M, Sulzer J, Salibi P, Murphy K, Vrochides D, Martinie JB, Baker E, Ocuin L, Iannitti DA. The use of laparoscopic microwave ablation to manage ruptured hepatocellular carcinoma. Presented at the SAGES 2020 Annual Meeting; April 2020; Virtual (**Poster**).
25. Watson MD, **Baimas-George MR**, Martinie JB, Vrochides D. Robotic Transmesenteric Pancreatic Debridement and Cystjejunostomy. Video presentation at SAGES Annual Meeting April 2020. Virtual (**Video podium**).

26. Watson MD, **Baimas-George MR**, Vrochides D, Martinie JB. Robotic Transgastric Pancreatic Cystgastrostomy and Pancreatic Debridement. Video presentation at SAGES Annual Meeting April 2020. Virtual (**Video podium**).
27. Watson MD, Thompson K, **Baimas-George MR**, Salibi P, Iannitti DA, Martinie JB, Baker EH, Ocuin LM, Vrochides D. Matched Analysis of the National Cancer Database Controlling for Oncologic Characteristics: Better Survival after Left Pancreatectomy Compared to Pancreaticoduodenectomy. Presentation at the Pancreas Club Annual Meeting May 2020. (**Poster**).
28. **Baimas-George M**, Watson M, Sulzer J, Salibi P, Murphy K, Vrochides D, Martinie JB, Baker E, Ocuin L, Iannitti DA. Ruptured hepatocellular carcinoma: Treatment with microwave ablation may offer additional benefit. Presented at the AHPBA 2020 Annual Meeting; March 2020; Miami, FL (**Poster**).
29. **Baimas-George M**, Kirks RC, Cochran A, Watson M, Baker E, Paton BL, Schiffern LM, Matthews BD, Martinie JB, Vrochides D, Iannitti DA. The gallbladder that nobody wants: A prediction tool to assess the difficulty of a cholecystectomy. Presented at the AHPBA 2020 Annual Meeting; March 2020; Miami, FL (**Poster**).
30. **Baimas-George M**, Watson M, Salibi P, Thompson K, Baker E, Ocuin L, Martinie JB, Iannitti DA, Vrochides D. MELD score does not increase after hepatectomy in cirrhotic patients. Presented at the AHPBA 2020 Annual Meeting; March 2020; Miami, FL (**Poster**).
31. **Baimas-George M**, Watson M, Sulzer J, Salibi P, Murphy K, Levi D, Martinie JB, Baker E, Ocuin L, Iannitti DA, Vrochides D. CT scan is more accurate in predicting viable disease after microwave ablation than TACE in patients undergoing locoregional treatment in hepatocellular carcinoma. Presented at the AHPBA 2020 Annual Meeting; March 2020; Miami, FL (**Poster**).
32. Watson MD, **Baimas-George MR**, Murphy KJ, Salibi P, Iannitti DA, Martinie JB, Baker EH, Ocuin LM, Vrochides D. Use of Machine Learning for Predictive Modelling after Minimally Invasive Distal Pancreatectomy. Presented at the AHPBA 2020 Annual Meeting; March 2020; Miami, FL (**Podium**).
33. Watson MD, **Baimas-George MR**, Murphy KJ, Pickens RC, Iannitti DA, Martinie JB, Baker EH, Vrochides D, Ocuin LM. A Pilot Study of Deep Learning to Predict Tumor Response to Neoadjuvant Therapy in Pancreatic Adenocarcinoma: Pure and Hybrid Modelling. Presented at the SAGES 2020 Annual Meeting; April 2020; Cleveland, Ohio (**Podium**).
34. Watson MD, **Baimas-George MR**, Passeri M, Sulzer J, Baker EH, Ocuin LM, Martinie JB, Iannitti DA, Vrochides D. Effect of Margin Status on Survival After Resection of Hilar Cholangiocarcinoma in the Modern Era of Adjuvant Therapies. Presented at the AHPBA 2020 Annual Meeting; March 2020; Miami, FL (**Podium**).
35. Watson MD, **Baimas-George MR**, Salibi P, Cochran A, Iannitti DA, Baker EH, Ocuin LM, Martinie JB, Vrochides D. Quality of Life for Patients Undergoing Major Hepatectomy is Better with Minimally Invasive Surgery. Presented at the AHPBA 2020 Annual Meeting; March 2020; Miami, FL (**Podium**).
36. Watson MD, **Baimas-George MR**, Salibi P, Murphy KJ, Baker EH, Ocuin LM, Martinie JB, Vrochides D, Iannitti DA. Effect of Hepatic Cyst Size on Postoperative Outcomes: Size is Irrelevant. Presented at the AHPBA 2020 Annual Meeting; March 2020; Miami, FL (**Poster**).
37. Watson MD, **Baimas-George MR**, Salibi P, Baker EH, Ocuin LM, Vrochides D, Iannitti DA, Martinie JB. Robotic Hepatic Cyst Marsupialization is Equivalent to Laparoscopy. Presented at the AHPBA 2020 Annual Meeting; March 2020; Miami, FL (**Poster**).

38. Watson MD, Pickens RC, Jenson S, **Baimas-George MR**, King L, Iannitti DA, Martinie JB, Baker EH, Ocuin LM, Vrochides D. PROs Highlight Opioid Prescription Disparities after HPB Surgery. Presented at ERAS USA 3rd Annual Congress; New Orleans, LA; November 2019 (**Podium**).
39. **Baimas-George M**, Cunningham KW, Ross SW, Savell A, Monteruil K, Christmas AB, Sing RF. Filled to the brim: The characteristics of over-triage to a level 1 trauma center. Presented at the *NC/SC American College of Surgeons Joint 2019 Annual Meeting: Trauma Abstract Competition*; Pinehurst, NC; July 2019 (**Podium**).
40. **Baimas-George M**, Vrochides D. The sorting hat of medicine: Why Hufflepuffs wear stethoscopes and Slytherins carry scalpels. Presented at the 5<sup>th</sup> annual Carolinas Medical Center Department of Research Symposium; Charlotte, NC; May 2019 (**Podium**).
41. **Baimas-George M**, Cunningham KW, Ross SW, Savell A, Monteruil K, Christmas AB, Sing RF. Filled to the brim: The characteristics of over-triage to a level 1 trauma center. Presented at the *Southwestern Surgical Conference*; Huntington Beach, CA; April 2019 (**Podium**).
42. **Baimas-George M**, Motz BM, Sorah AB, Thomas BW, Morgan JT, Cunningham KW, Gottlieb LJ, Christmas AB, Sing RF. Positive fluid balance: a risk factor for ICU bouncebacks in geriatric trauma patients. Presented at the *Southwestern Surgical Conference*; Huntington Beach, CA; April 2019 (**Podium**).
43. Maloney SR, Kao AM, **Baimas-George M**, Prasad T, Sing RF, Heniford BT, Davis BR, Augenstein VA, Kasten KR. Open abdomen following emergent laparotomy is associated with hernia formation. To be presented at the *Southwestern Surgical Conference*; Huntington Beach, CA; April 2019 (**Podium**).
44. **Baimas-George M**, Pickens RC, Levi DM, Eskin L, Iannitti DA, Martinie JB, Baker EH, Ocuin L, Vrochides D. Three possible variations in ex vivo hepatectomy: achieving R0 resection by transplant oncology. Presented at the *Southeastern Surgical Conference*; Charlotte, NC; February 2019 (**Podium**).
