

Gazco Reflex Riva2 600 with Designio 2 frame & black glass lining

Stylish versatility, a perfect retrofit.

The Gazco Riva2 600 offers magnificent flame visuals and impeccable styling in a truly versatile gas fireplace. The dimensions and flexible installation options make it ideal for retrofitting into an existing chimney cavity. Or install this fire into a newly constructed wall-cavity to complement the most contemporary of interior designs.

A beautifully natural display features a detailed log-set with glowing ember-effects adding to the realism. The fire is finished with non-reflective glass minimising unwanted reflections for complete visual clarity.

Key Features

-  Realistic flame quality with logs
-  Non-reflective glass for crystal-clear view
-  Suitable for existing chimney retrofit
-  Fan-free, quiet experience
-  Programmable remote control
