

Gazco Riva2 670 Electric with Designio2 Steel frame

## Cosy comfort and easy installation.

The Gazco Riva2 670 is designed with simplicity. This versatile electric fire can either be recessed into a newly constructed cavity, hearth-mounted into a traditional fireplace opening or simply hung on the wall using a wall mounting box.

Offering up to 2kW of high efficiency heat output, these landscape electric fires feature a realistic fuel effect and convenient remote control.

### Key Features

-  Realistic flame effects
-  Wall hung or inbuilt
-  Remote control
