

OUTDOOR GAS

ALFRESCO-G | 1050

Inbuilt flueless installation

Jetmaster Alfresco-G 1050

Flueless flair and built to last.

Warm up any social gathering with this flueless outdoor gas fireplace from Jetmaster. With a gorgeous night-time ambient glow and excellent heat output, the Alfresco-G 1050 gas fire will transform your outdoor entertaining.

The fire features a double-skinned stainless steel firebox, cleverly designed to deliver the perfect jet stream of heat into your living space. The burner is also constructed from marine grade stainless steel and incorporates a simple manual ignition, designed for ease of use and long-lasting durability.

Key Features

-  Open fire ambience
-  Radiant and convected heat
-  Stainless steel burner & firebox
-  No flue required
