Jetmaster 850 open wood fire

Nothing quite compares.

There is nothing quite like the enchanting ambience of an open wood fire. World-renowned Jetmaster fireplaces are built to provide striking centrepieces with class-leading performance and visual appeal.

Jetmaster Universal wood fires feature a double-skin steel firebox, cleverly designed to deliver the perfect jet stream of heat into your living space. Replace your traditional masonry fireplace or plan into a new-build of the very latest contemporary design. There is simply no comparison.

Key Features

-  Double-skin steel firebox
-  Open-fronted fire ambience
-  Radiant & convected heat
-  Minimal ash & cleaning
-  Size range -700, 850,1050,1200 & 1500

NOTE: Some regional councils have bylaws that prohibit the installation of open-fronted fireplaces. Please check with your local retailer.
