

Stovax Studio 2 Rural Inbuilt Fire with Edge+

Minimalist design, stunning elegance.

The Stovax Studio range balances presence with efficiency and heating performance. A selection from this peerless range of contemporary fires will add gravity and style to any interior. It represents the pinnacle of British fire design, engineering and technical innovation.

A rapid start-up 'boost mode' makes it easy to ignite logs. Whether you want a lazy flame, or a vivid roar, your Studio 2 rural model will give you full control over your fire thanks to its innovative easy-to-use single air control, requiring only light operation for responsive instant adjustment.

Key Features

-  Architecturally inspired design
-  Landscape viewing window
-  Warm air room ducting
-  Boost control for easy lighting
-  Optional sealed external air kit

NOTE: This rural model is suitable only for installations into homes on properties 2ha or larger.

The Fireplace Ltd reserves the right to change all content contained herein and subject to change without notice.
