

Minimalist design, striking feature.

The Stovax Studio range balances presence with efficiency and heating performance. A selection from this peerless range of contemporary fires will add gravity and style to any interior. It represents the pinnacle of British fire design, engineering and technical innovation.

A rapid start-up 'boost mode' makes it easy to ignite logs. Whether you want a lazy flame, or a vivid roar, your Studio 2 rural model will give you full control over your fire thanks to its innovative easy-to-use single air control.

Key Features

-  Architecturally inspired design
-  Landscape viewing window
-  Inbuilt heat shield
-  High heat output fire
-  Boost control for easy lighting
-  Optional sealed external air kit

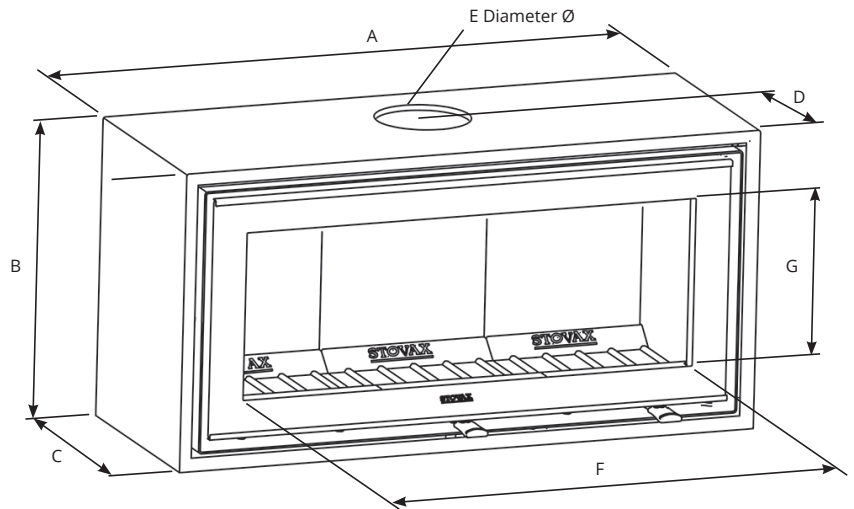

NOTE: This rural model is suitable only for installations into homes on properties 2ha or larger.
