

# LIQUID SCIENCE™

## LS<sup>9</sup> LEAVE-IN TREATMENT

Lightweight detangler and thermal protectant provides hair with all day protection from the aging effects of oxidation, free-radical damage and UV exposure. Preserves hair color while improving manageability. Great for blowouts and reduces dry time.

**SULFATE FREE + PARABEN FREE + ALCOHOL FREE + VEGAN**

### INSTRUCTIONS

Mist on damp hair prior to styling. To refresh extensions and second day hair, spray to mid-length and ends.

### INGREDIENTS

**INDIAN GOOSEBERRY** | Promotes circulation on the scalp, moisturizes and strengthens hair, increases shine, contains vitamins, minerals and antioxidants, boosts volume in the hair and protects haircolor.

**CANNIBIDIOL (CBD) OIL** | Stimulates and enhances growth through the scalp's absorption of fatty acids; contains Omega 3, 6, 9. Nourishes and strengthens hair, encourages hair growth, improves the quality of scalp tissue for a stronger hair follicle, expanding faster for faster hair growth.

**GRAPE SEED OIL** | Anti-inflammatory, contains Vitamin E, linoleic acid, antioxidants, and Omega-6 fatty acids, fights free radicals, stimulates circulation, and protects, strengthens and heals scalp tissue.

**ARGAN OIL** | Anti-inflammatory, increases hair's elasticity and consistently restores shine to dull, lifeless hair, moisturizes scalp and hair, contains antioxidants, essential fatty acids, and vitamin E.

**AÇAÍ** | Increases blood flow, stimulates hair growth, contains antioxidants, vitamins and Omega 3, 6, and 9, strengthens hair follicles and hair, fights free radicals.

**ALOE VERA** | Anti-inflammatory, increases hair's elasticity and consistently restores shine to dull, lifeless hair, moisturizes scalp and hair, contains antioxidants, essential fatty acids, and vitamin E.

**HYDROLYZED SOY PROTEIN** | Strengthens and mends hair fibers; increases hair's ability to hold moisture while adding shine and smoothness.

**HYDROLYZED BARLEY PROTEIN** | Provides a smoothing and moisturizing protective barrier on hair and scalp; adds body, luster and gloss to dry hair.

**HYDROLYZED WHEAT PROTEIN** | Thickens and adds volume to thinning hair, adds shine and manageability, and repairs damaged hair.
