

LIQUID SCIENCE™

CLAY THERAPY

Bring the healing ingredients of the earth to your hair with our Clay Therapy for Hair and Scalp. A unique formulation of natural ingredients within a clay structure allows the mask to work deeply into the hair shaft to detoxify hair from environmental stress and maintain color longer.

SULFATE FREE + PARABAN FREE + ALCOHOL FREE + VEGAN

INSTRUCTIONS

Apply to wet hair and scalp. Allow to penetrate for fifteen minutes. Thoroughly rinse.

INGREDIENTS

KAOLIN CLAY | Removes scalp buildup and toxins, unclogs follicles, increases circulation, strengthens the root and calms scalp, absorbs excess sebum, draws out impurities and deodorizes the scalp and hair, contains minerals and phyto-nutrients.

HYDROLYZED KERATIN | Fills minor gaps in the hair; temporarily strengthens and smooths hair, improves elasticity, creates a protective barrier, imparts shine, restores moisture and restores proteins.

CANNABIDIOL (CBD) | Stimulates and enhances growth through the scalp's absorption of fatty acids; contains Omega 3, 6, 9. Nourishes and strengthens hair, encourages hair growth, improves the quality of scalp tissue for a stronger hair follicle, expanding faster for faster hair growth.

SUNFLOWER SEED | Anti-inflammatory, protects against UV radiation and shampoo aggression, contains vitamin E, oleic acid, and linoleic acid.

COCONUT OIL | Moisturizes hair and scalp, fights dry scalp and dandruff, prevents protein loss and breakage, and removes buildup around follicles.

MACADAMIA SEED OIL | Adds shine, calms frizz, detangles and nourishes the hair follicles, rich in fatty acids and potassium, and strengthens hair.

ARGAN OIL | Anti-inflammatory, increases hair's elasticity and consistently restores shine to dull, lifeless hair, moisturizes scalp and hair, contains antioxidants, essential fatty acids, and vitamin E.

JOJOBA OIL | Moisturizes the scalp, rich in vitamins and minerals nourishing hair with Vitamin C, B, E, Copper, and Zinc, strengthens hair and prevents breakage.

COCOA SEED BUTTER | Rich in vitamins, minerals, and Omega-6 fatty acids. Strengthens and repairs damaged hair, moisturizes and adds volume to fine hair.

AVOCADO OIL | Moisturizes, repairs and strengthens hair, contains antioxidants, minerals, essential fatty acids, biotin, vitamins A, B-5, and E.

LIQUID SCIENCE™

CLAY THERAPY

INGREDIENTS (cont.)

HYDROXYPROPYL GLUCONAMIDE and HYDROXYPROPYL AMMONIUM GLUCONATE | Creates hydrogen and ionic bonds, penetrates deeply to strengthen hair.

VITAMIN E | Anti-inflammatory, stimulates capillary growth in your scalp, which supports hair growth; locks in moisture, prevents breakage and split ends; contains antioxidants, improves hair's elasticity and shine.

HYDROLYZED FLAX SEED | Smooths and restores damaged hair, controls fly-aways and imparts healthy shine, contains Vitamin E, B, magnesium, manganese, selenium, copper and Omega-3.

CETRIMONIUM BROMIDE | Antimicrobial and antiseptic, cleanses the skin and prevents odors, positively charged to attract negatively charged skin cells and hair proteins to detox scalp and hair.

HYDOLYZED WHEAT PROTEIN | Thickens and adds volume to thinning hair, adds shine and manageability, and repairs damaged hair.

HYDROLYZED SOY PROTEIN | Strengthens and mends hair fibers; increases hair's ability to hold moisture while adding shine and smoothness.

SOY AMINO ACID | Shields the hair from the damaging effects of hair color, improves blood circulation and nutrient supply to the hair follicles, deeply penetrates hair.

HYDOLYZED BARLEY PROTEIN | Provides a smoothing and moisturizing protective barrier on hair and scalp; adds body, luster and gloss to dry hair.

GLYCERIN | Moisturizes, softens, and is a humectant.

CETYL ALCOHOL | Softens and detangles.
