

LIQUID SCIENCE™

SCALP SPA STIMULANT

Feel the tingle with Scalp Spa Technology - a blend of natural botanical extracts that invigorates, breaks away buildup, cleanses the scalp and penetrates deep into the follicle.

INSTRUCTIONS

Apply Stimulant to hair after Cleanser and Conditioner. Starting in the center, apply in a grid pattern over scalp. Massage in with Scalp Spa Brush. Use on a daily basis after product is applied to deter buildup and freshen the scalp.

INGREDIENTS

WITCH HAZEL | Relieves inflammation, neutralizes free radicals, soothes and reduces skin irritation, increases blood flow and promotes hair growth.

HYDOLYZED WHEAT PROTEIN | Thickens and adds volume to thinning hair, adds shine and manageability, and repairs damaged hair.

HYDROLYZED SOY PROTEIN | Strengthens and mends hair fibers; increases hair's ability to hold moisture while adding shine and smoothness.

MENTHOL | Vasodilator, stimulates nerve endings, increases blood flow, anti-inflammatory, antibacterial, triggers cold receptors for a cool tingle, helps control oil production on the scalp.

SPEARMINT | Antifungal, antibacterial, antiseptic, increases circulation and blood flow, triggers cold receptors for a cool tingle, stimulates the hair follicle, remedies itching and dryness, calms and soothe inflamed skin associated with dandruff and psoriasis, promotes hair growth.

PEPPERMINT | Vasodilator, anti-inflammatory, antimicrobial, triggers cold receptors for a cool tingle.

TEA TREE | Antimicrobial, anti-inflammatory, antibacterial, antifungal, treats dandruff and psoriasis, stimulates blood flow.

EUCALYPTUS | Antimicrobial, antifungal, antiseptic, anti-inflammatory, relieves itchy scalp, stimulates hair follicles.

CLOVE | Antimicrobial, antifungal, antiseptic, increase circulation and blood flow, strengthens hair follicle, detoxifies the scalp and hair, soothes dryness, contains vitamins and minerals.
