

## -Donor Reach Program-

### -CITIZENS AGAINST DOMESTIC VIOLENCE-

Our Donor Reach Program is a unique Charitable tax deduction giving program.

Financial gift for a charitable tax deduction by purchasing clothing and gear, that will be delivered to requested locations set forth by the registered 501© (3) of choice, which will then activate our Affiliate format, whereby a cash/ check equaling 20% of your purchase and donation, will be paid directly to your charitable concern, from Brothers and Sisters in Christ LLC, at time of apparel and gear delivery.

How it works:

Example: \$50,000.00 donation. An order is placed with Lovehappens.co for apparel and gear, in donor's or estate name, with shipping address to be specified by charitable concern. Proof of delivery from your specified order, will then allow 501© (3) to give a charitable donation receipt to the donor for their gift. In turn Brothers and Sisters in Christ LLC, which is the controlling interest and owner of "Love Happens-same love different day" will generate a cash/ check to the 501© (3) charity of your choice for 20% of the purchase amount and receipt of listed apparel and gear. In this example it would be 20% of \$50,000.00= \$10,000.00

The Donor Reach Program allows donors to be able to assist 501© (3) organization with new clothing and gear to be distributed to those people in need, while giving Brothers and Sisters in Christ the ability to give back 20% of that purchase amount to their charity of choice.

Your donation of clothing and gear will be produced by Love Happens and sent directly in your name from our distribution centers to the 501© (3) charity of concern. This will allow the charity to take direct receipt of clothing /gear to distribute to those in need. The charity will issue to the Donor (individual or Company) a Charitable Donation receipt for the value of issued apparel and gear.

At that time Brothers and Sisters in Christ LLC, the controlling corporation and owner of Love Happens, will issue 20% of the retail purchase and thereby give a cash/check donation to the 501© (3), specified at time of order.

The dynamic of the Donor Reach Program enhances the Donor's gift considerably by giving their gift additional reach and impact within their giving of new clothing and gear to those in need, which will include an additional cash donation of 20% of their retail purchase going to their charity of choice.

Love Happens is very grateful to have this opportunity to serve and assist donors and charitable organizations that continue to make a difference in our world today, by assisting and serving those in need. We remain bold in our faith and walk in HIS name.
