

CHARLES & IVY

Driveway Gates Collection

Luxury Composite Fencing

Charles & Ivy began with a simple observation:

Conventional fencing, gates and screening is unremarkable, dull and maintenance-heavy.

We made it our mission to **create a stylish, durable and a low-maintenance modular fencing and gate system.**

As our ideas developed, we saw the potential for our products to **further elevate outdoor** spaces.

We have designed a **modular fencing and gate system** which offers a broad range of creative, beautiful and long-lasting options for your garden.

Our fencing products are **exclusive and designed by Charles & Ivy.**

Fencing
For Life

Driveway Gates

CHARLES & IVY

Transform your home and garden with our luxurious and no-maintenance composite products.

Our easy-to-install products not only add a personal touch to your outdoor space, but also provide an eco-friendly fencing solution.

Made with a mix of recycled plastics, our products use the equivalent of up to 80 plastic bottles per fence slat.

Give your home a luxury upgrade with exclusive Charles & Ivy designs.

Eco-Friendly

Charles and Ivy are the UK's largest composite fencing supplier, known for our innovative designs and commitment to sustainability. We produce a range of eco-friendly composite products such as fencing, gates, planters, decorative screens and more, made from recycled plastic materials.

We pride ourselves on using recycled plastic to create high-quality, long-lasting products that are both functional and good for the environment. By diverting plastic waste from landfills and reducing the demand for new plastic, we are able to make a positive impact on the planet, whilst also meeting the needs of our customers. We are dedicated to designing and producing sustainable solutions that are both beautiful and durable

Benefits of composite slatted fencing

Weatherproof

Our tough composite resists rot, mould, and has in-built UV protection ensuring the colour will not fade.

No Maintenance

Our composite is easy to clean and you'll never need to paint, treat or stain.

Adaptable

You can cut our composite products to the size you need without compromising the structural integrity.

Slat Finish

Our fully weatherproof slats match the same finish as corresponding fencing.

Eco-friendly

All of our composite gate slats are eco-friendly and manufactured using recycled plastics.

If you have any design ideas that you cannot find available on our website, please contact us to speak with one of our product specialists to discuss your design ideas.

Charles & Ivy products are built to the highest standards of quality and craftsmanship.

FAQ's

What is included?

A fully assembled gate and hinges to your chosen design and dimensions. None automated gates will come with lockable handle. Gates that will have your automation fitted will come without handle.

What is the finish on the gate frame?

The gate frame is manufactured using marine grade aluminium. The frames are then treated and finished with a high quality matt powder coating (black colour), ensuring a robust and durable finish to withstand all weather conditions.

What are the product dimensions?

Gates are available in 2 heights — 154cm to 184cm, the width is chosen by you up to 390cm. We then fully assemble your gate design to your chosen design, height and width.

Are gates easy to install?

Yes, our gates are easy to install by a competent tradesperson or DIY'er. Please ensure that the surface the gate hinges are fixing to is solid and square to the ground, if fixing to a freestanding post, ensure the post is sunk 60cm into the ground and fixed securely.

Can the gates be locked?

There is a lockable handle on both sides of the gate. 3 keys are supplied. For gates with automation, no handle is required or supplied.
