

CHARLES & IVY

Slat Wall Collection

Luxury Slat Walls

Charles & Ivy began with a simple observation:

Conventional fencing, gates and screening is unremarkable, dull and maintenance-heavy.

We made it our mission to **create a stylish, durable and a low-maintenance modular fencing and gate system.**

As our ideas developed, we saw the potential for our products to **further elevate outdoor** spaces.

We have designed a **modular fencing and gate system** which offers a broad range of creative, beautiful and long-lasting options for your garden.

Our fencing products are **exclusive and designed by Charles & Ivy.**

Slat Wall Collection

Designed to add a modern touch to any space, our new slat walls are made from premium composites that are fully waterproof and can be cut to size to tailor any area of your home (indoors or out). The durable and low-maintenance nature of composite slat wall means you won't have to spend time and money on repainting, staining or repairing over time.

Finally, composite slat wall is a sustainable and environmentally friendly choice, as it is made from recycled materials that helps to reduce the amount of waste in landfills.

With a range of 6 colours and lengths to choose from, our composite slatted cladding can provide you with a beautiful, low-maintenance free solution for your next project.

Eco-Friendly

Charles and Ivy are the UK's largest composite fencing supplier, known for our innovative designs and commitment to sustainability. We produce a range of eco-friendly composite products such as fencing, gates, planters, decorative screens and more, made from recycled plastic materials.

We pride ourselves on using recycled plastic to create high-quality, long-lasting products that are both functional and good for the environment. By diverting plastic waste from landfills and reducing the demand for new plastic, we are able to make a positive impact on the planet, whilst also meeting the needs of our customers. We are dedicated to designing and producing sustainable solutions that are both beautiful and durable.

Benefits of composite slat wall

Weatherproof

Our tough composite resists rot, mould, and has in-built UV protection ensuring the colour will not fade.

Adaptable

You can cut our composite products to the size you need without compromising the structural integrity.

Eco-friendly

All of our slat walls are eco-friendly and manufactured using recycled plastics.

No Maintenance

Our composite is easy to clean and you'll never need to paint, treat or stain.

Slat Finish

Our fully weatherproof slats feature a deep wood grained finish.
