PRODUCT SUBMITTAL DATA

CraftFlex™ Engraved Plastic Valve Tags

DESCRIPTION: Durable indoor/outdoor valve and equipment identification. ABS/Acrylic co-extruded plastic featuring a multi layer design(2ply or 3ply) which is permanently fused together with contrasting core and cap colors. Available in 1/16" and 1/8".

USE: For indoor/outdoor marking of commercial & industrial equipment & facilities.

COMPLIANCE: ASME (ANSI) A13.1 1981

CraftFlex™ Valve Tags are our most popular type of plastic valve tags. Engraved through colored layers to expose rich contrasting text. Excellent for all indoor/outdoor marking needs. Choose from a wide array of color combinations, sizes and thickness as well as single or double sided engraving. Available in square and round shapes.
