- Custom available at No Extra Charge!

SpecMark™ Precoiled & Pretensioned Plastic Markers save installation time and labor costs!

Craftmark's SpecMark™ conform 100% to International Institute of Ammonia Refrigeration Bulletin#114 dated March of 2014. We use only the most durable materials and UV screen inks. These durable markers are used on wet, oily, cold, dirty, or rusty pipes, where pressure sensitives won't stick! No preparation of the pipe surface is required before application so valuable labor time is saved!
