Designed and created with the professional in mind, Chef Inox delivers a premium range of kitchenware, servingware, cookware and more. Proudly Australian and backed by many decades of experience, knowledge and excellence, Chef Inox uses only the highest quality materials. Built for long term commercial use, this range is ideal for any professional or home chef.

## STAINLESS STEEL

Designed for both form and function, Stainless Steel products are made from quality materials. Durable, practical, and dishwasher safe, our stainless steel products are made to last.

## FOOD SAFE

Non-porous and hygienic, our Food Safe products can be used for all manners of foodservice. Free from rust and corrosion, these products are ideal for long-term commercial environments.

## HAND WASH RECOMMENDED

Hand washing is recommended to preserve life and a new look and feel. Hand washing avoids scratching and abrasions and keeps original finishes in pristine condition for lasting visual appeal.
