

SERVE MARBLE

CARE AND MAINTENANCE

HOSPITALITY SERVINGWARE HANDLES A COMMERCIAL WORKLOAD, AND WHILE OUR RANGES ARE DESIGNED FOR SUCH USAGE, SOME **SIMPLE STEPS** CAN BE TAKEN TO **PROLONG THE LIFE OF YOUR PRODUCTS** SIGNIFICANTLY.

Handwash only, not dishwasher safe.

Made from high-grade natural marble, each product features unique marking, veining and variations in colour and patterns. Hand crafted and hand polished, each piece is one of a kind. We recommend, where possible, to wipe clean with a damp cloth. Wash by hand in warm soapy water with a non-abrasive cloth. Avoid using abrasive chemicals, sponges and scourers. Marble is porous, soft and chemically sensitive; avoid acidic and coloured foods, which may erode or stain the marble. The natural surface of the marble will keep food fresh. Do not expose marble to drastic temperature changes, which can cause cracks.
