HAND WASH RECOMMENDED

Handwash only, not dishwasher safe. We recommend, where possible, to wipe with a damp cloth or sponge and leave to air dry. Do not submerge in water or leave in direct sunlight, as this may cause the board to warp or crack. Do not place hot items directly from the cooktop or oven onto the board as this may scold or split the board.

SERVE MARBLE

STUNNING AND ELEGANT, CHEF INOX SERVE MARBLE **ADDS CHARACTER AND STYLE**. MADE FROM NATURAL MARBLE, ITS **COOL SURFACE WILL KEEP FOOD FRESH** FOR LONG PERIODS. **HAND CRAFTED AND HAND POLISHED**, THIS BEAUTIFUL COLLECTION FEATURES UNIQUE MARKING, VEINING AND VARIATIONS IN COLOUR AND PATTERNS.

NATURAL MARBLE

Luxurious and stunning, Chef Inox Marble range features unique markings, variations and veining. Crafted from high-grade natural marble, each piece is hand polished, making each piece one of a kind.

FOOD SAFE

Non-porous and hygienic, our Food Safe products can be used for all manners of foodservice. Free from rust and corrosion, these products are ideal for long-term commercial environments.

HAND WASH RECOMMENDED

Handwash only, not dishwasher safe. Made from high-grade natural marble, each product features unique marking, veining and variations in colour and patterns. Hand crafted and hand polished, each piece is one of a kind. We recommend, where possible, to wipe clean with a damp cloth. Wash by hand in warm soapy water with a non-abrasive cloth. Avoid using abrasive chemicals, sponges and scourers. Marble is porous, soft and chemically sensitive; avoid acidic and coloured foods, which may erode or stain the marble. The natural surface of the marble will keep food fresh. Do not expose marble to drastic temperature changes, which can cause cracks.

SERVE MARBLE

CARE AND MAINTENANCE

HOSPITALITY SERVINGWARE HANDLES A COMMERCIAL WORKLOAD, AND WHILE OUR RANGES ARE DESIGNED FOR SUCH USAGE, SOME **SIMPLE STEPS** CAN BE TAKEN TO **PROLONG THE LIFE OF YOUR PRODUCTS** SIGNIFICANTLY.

Handwash only, not dishwasher safe.

Made from high-grade natural marble, each product features unique marking, veining and variations in colour and patterns. Hand crafted and hand polished, each piece is one of a kind. We recommend, where possible, to wipe clean with a damp cloth. Wash by hand in warm soapy water with a non-abrasive cloth. Avoid using abrasive chemicals, sponges and scourers. Marble is porous, soft and chemically sensitive; avoid acidic and coloured foods, which may erode or stain the marble. The natural surface of the marble will keep food fresh. Do not expose marble to drastic temperature changes, which can cause cracks.
