

MODULAR BUFFET

THE VERSATILE MODULAR BUFFET SYSTEM, COMPRISING OF **BUFFET STATIONS, INSERTS, AND TROLLEYS**, IS **IDEAL FOR RESTAURANTS, BUFFETS, CONFERENCE DEPARTMENTS, FUNCTIONS, AND VARIOUS OTHER SETTINGS**, OFFERING **TAILORED SOLUTIONS** TO MEET DIVERSE NEEDS AND CUISINE OPTIONS.

Designed and created with the professional in mind, Chef Inox delivers a premium range of kitchenware, servingware, cookware and more. Proudly Australian and backed by many decades of experience, knowledge and excellence, Chef Inox uses only the highest quality materials. Built for long term commercial use, this range is ideal for any professional or home chef.

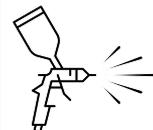

STAINLESS STEEL FRAMES

Designed for both form and function, our 18/0 stainless steel is made from the highest quality materials. Durable and practical, our stainless steel products are made to last whilst also looking sophisticated and ageless.

MDF PANELS

MDF (medium-density fibreboard) panels are known for their durability and smooth finish, providing a reliable and aesthetically pleasing solution for organizing and displaying food items.

POWDER COATED FINISH

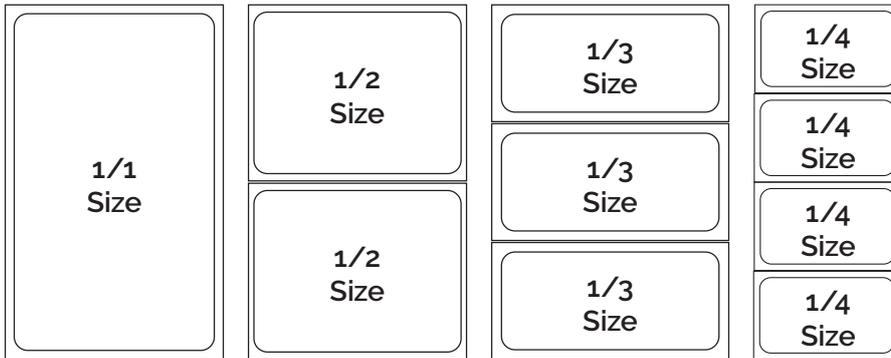

Durable and hard-wearing, powder coating uses dry powder that is heat cured to create a resilient outer shell. Providing exceptional wear capabilities, long-lasting powder coating is available in custom colours upon request.

MODULAR BUFFET

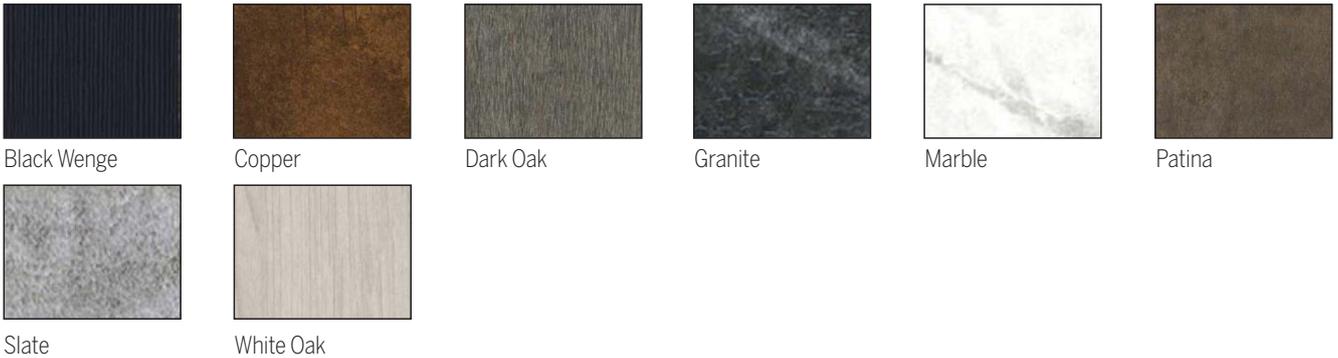

CREATE YOUR BUFFET LOOK WITH OUR **CUSTOMISABLE RANGE** OF SERVICE STATIONS AND ACCESSORIES. SUITABLE FOR **HOT & COLD SERVICE**, THESE MODULAR SECTIONS ARE **EQUIPPED TO SERVE ALL CUISINE TYPES**.

SIZE COMBINATION CHART

PANEL FINISH OPTIONS

Other colours options are available upon request. Please refer to your sale representative before ordering due to difference in colour tone between digital render and actual product.
