

Coloured Coded Kitchen

Designed and created with the **professional** in mind, Chef Inox delivers a **premium range** of colour coded kitchenware. **Proudly Australian** and backed by many decades of **experience, knowledge and excellence**, Chef Inox uses only the **highest quality materials**. Colour-coded for consistency and ease of use in a **busy kitchen environment**, while robust stainless steel allows for long life back of house.

COLOUR CODED

Chef Inox uses Industry Standard colour coding for portioning, allergen management and HACCP products, ensuring staff training stays relevant.

10 YEAR WARRANTY

Chef Inox guarantees our products to be free from material and manufacturing defects for the expected life of the product, to a maximum 10 years from date of purchase.

DISHWASHER SAFE

Chef Inox dishwasher safe items are guaranteed to stand up against repeated industrial machine washing without compromising their original lustre or finish.
