

Designed and created with the **professional** in mind, Chef Inox Serve delivers a **premium and comprehensive** range of servingware to **enhance your menu presentation**. Proudly Australian, backed by decades of experience, Chef Inox uses only the **highest quality materials**, creating serving solutions built for **long term** commercial use.

STAINLESS STEEL

Our stainless steel is made from the highest quality materials. Designed for commercial use, Tablekraft stainless steel products are made to last.

10 YEAR WARRANTY

Chef Inox guarantees our products to be free from material and manufacturing defects for the expected life of the product, to a maximum 10 years from date of purchase.

DISHWASHER SAFE

Chef Inox dishwasher safe items are guaranteed to stand up against repeated industrial machine washing without compromising their original lustre or finish.
