BANGERS LP SELECTS NIGHTSTICK'S TWM-SERIES FULL SIZE AND TCM-SERIES COMPACT WEAPON LIGHTS

Leading Shooting Sports Distributor Brings on Expanded Tactical Product Line

Wylie, Texas – October 2019 – Nightstick is pleased to announce Bangers, LP recently added Nightstick's full-size [TWM-850XL](#) and compact [TCM-550XL](#) handgun lights as its primary line of LED weapon lights. Nightstick's partnership with Bangers, one of the leading hunting and shooting sports product distributors in the southwest provides enhanced choices to shooters and hunters who demand professional-grade lighting.

"Banger's choice of Nightstick as their preferred weapon light provider makes a strong statement that they understand and take the needs and wants of the shooting sports community seriously," says Russell Hoppe, Marketing Director for Nightstick. "The trust and widespread mass adoption of Nightstick tactical lighting by LE agencies and departments worldwide have not gone unnoticed in the retail marketplace. Bangers have established themselves as a leader based on their ability to provide their clientele with the latest professional-grade products, and we could not be more pleased to be their cornerstone lighting partner for the betterment of the entire shooting sports industry."

Among the popular products from Nightstick now in stock and available from Bangers are Mini-Tac metal flashlights, 1000-lumen area lights with rare-earth magnet base and optional 6' tripod, LED traffic safety light wands, USB tactical lights as well as polymer and all-metal duty-sized flashlights.

Dealers can place an order for Nightstick products through Bangers by calling 1-800-226-4377. To establish an account as a Bangers dealer, contact them through their website at <https://www.bangersusa.com/dealer-registration>
