# Innovative Products

# Product Categories

## Essential

Fundamental health products focus on supplementing essential nutrients

## Functional

Optimized health products, formulated with patented raw materials, clinically proven efficacy to target modern diseases and have specific health functions

# Essential Vitamins

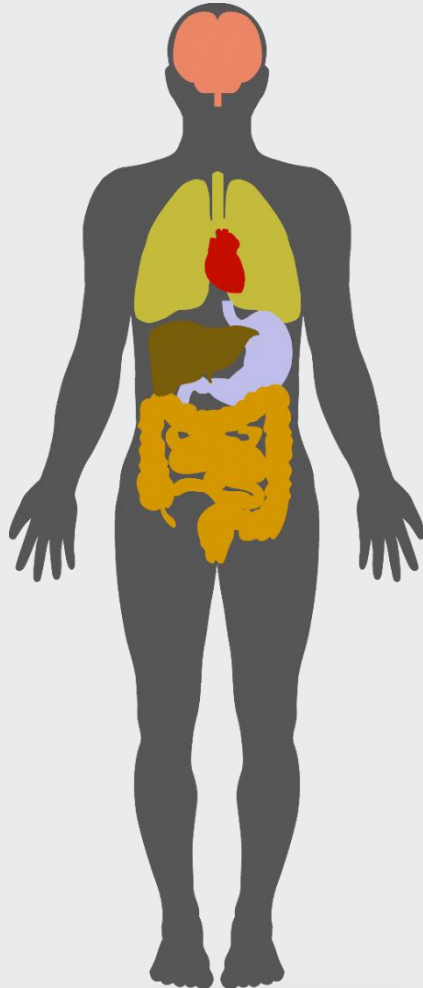

## ▲ For Overall Health

Essential health products focus on protecting the overall health of the human body and preventing the occurrence of diseases.

## ▲ Essential Vitamins Product Line

- Probiotic
- Omega Fish Oil
- Calcium
- Multivitamins
- Vitamin C
- Vitamin D3
- Collagen Tripeptide
- CoQ10
- NMN
- Digestive Enzyme
- Protein Powder
- Multivitamins for Men, Women, and Children

# Functional Vitamins

## ▲ Target Health Issues

Functional products target specific health problems and are formulated to improving and alleviating discomfort conditions.

## ▲ Functional Vitamins Product Line

- Circulation
- Blood Sugar
- Cholesterol
- Bioflex/Joint
- Liver Detox
- Lung Cleanse
- Slim Fast
- Sleep Well
- Brain/Memory
- Stress
- Eye Vitamins
- Men's Health, Women's Health

# Ultra Probiotic

## Key Ingredients

- Lactospore .....6 billion CFU
- Saberry..... 500mg
- Digezyme..... 25mg

## Product Features

- Patented raw materials has 36 patents and 20 clinical trials
- The survival rate of the human digestive system is more than 30% higher than that of other strains
- Clinically proven to eradicate H Pylori and effectively improve diarrhea and constipation
- Patented Indian gooseberry (Saberry) is nature's strongest antioxidant, 2600% more than acai
- Contains patented enzyme complex (amylase, protease, lipase, cellulase, lactase)

# Liver Tonic

## Product Ingredients

- Milk Thistle Extract – 400mg
- Choline Bitartrate – 300mg
- Ginger Extract – 50mg
- Turmeric Extract – 50mg
- Dandelion Root Extract – 50mg
- Artichoke Extract – 50mg
- Schisandra Berry Extract – 50mg

## Product Features

- Science backed formulas for liver and gallbladder health
- Clinically proven for liver protection, hangover, detoxification, and fatty liver
- Natural herbal ingredients help the liver and gallbladder to digest and absorb nutrients, resist toxins, and maintain liver vitality
- Made in cGMP facility and meets the US FDA pharmaceutical standards

# NMN

## ▲ Key Ingredients

- NMN – 250mg
- Resveratrol – 100mg

## ▲ Product Features

- NMN purity above 99%
- Using Harvard University Dr. Sinclair Golden Ratio Formula: NMN : Resveratrol = 2:1
- pharmaceutical grade manufacturer, quality guarantee
- Best Formula, Best Quality Anti-Aging product

# Lung Cleanse

## Key Ingredients

- Vitamin A – 1500mg
- Vitamin C – 250mg
- Vitamin D – 10mcg
- Vitamin B6 – 10mg
- Vitamin B12 – 100mcg
- Calcium - 94mg
- CoQ10 – 10mg
- Ginger Extract – 100mg
- Hawthorn Berry – 25mg
- NAC – 250mg
- Turmeric Extract – 10mg
- Elecampane Root – 150mg

## Product Features

- Improves blood circulation in the lungs
- Helps anti-inflammatory and swelling of the lungs, eliminate nodules caused by inflammation
- Dissolve phlegm and relieve cough
- Protect the lungs from external viruses
- Promote alveolar regeneration, increase lung capacity, and maintain airway patency

# CoQ10

## ▲ Key Ingredients

- Kaneka Ubiquinol.....100mg
- Black Pepper Extract.....5mg

## ▲ Product Features

- Kaneka reduced ubiquinol CoQ10 is the world's best-known and widely studied coenzyme Q10 component
- High absorption: 800%+ higher absorption by human cells
- Cardiovascular health, anti-aging, immunity support
- 100% natural
- 100% trans coenzyme Q10
- 100% non-GMO
- 99% water soluble

# Collagen Tripeptide

## ▲ Key Ingredients

- Collagen Tripeptide.....1000mg

## ▲ Product Features

- Uses a unique patented hydrolysis method to stimulate the body to produce more collagen through the immune response
- The peptide content is 1500% higher than similar products
- Human clinical trial shows rapid results
- Hydrates and moisturizes, improves rough skin, lightens crow's feet, wrinkles, and restores skin elasticity
- Reduces joint edema, deformation, tenderness, friction rub

# Slim Waist

## ▲ Key Ingredients

- Bergamot extract and Artichoke extract.....600mg

## ▲ Product Features

- Proprietary blend method (#WO2018189672), which mixes bergamot and artichoke raw materials and extracts them, rather than the usual single raw material extraction and mixing, which can retain the high content of bioflavonoids and increase the rate of fat metabolism
- Clinically proved to help the liver burn fat, especially belly fat, and healthy weight loss does not rebound
- Improve fat metabolism, improve high cholesterol, blood vessel wall fat accumulation
- Avoid puffiness caused by antioxidant capacity and poor immunity

# Sleep Well

## ▲ Key Ingredients

- Calcium.....72mg
- Vitamin E.....2.075mcg
- Lavender Extract.....50mg
- Sesamin.....10mg

## ▲ Product Features

- Coordinate the body's synthesis of serotonin and melatonin, regulate sleep patterns
- Helps relax muscles and eliminate tension, which in turn improves sleep quality
- Prevents memory loss caused by lack of sleep and improves sleep apnea
- Increase deep sleep, quality and time, prevent night awakenings

# Calcium Plus

Approved by CFDA

盈养季节

Health Food

## Calcium Plus

- Key Ingredients: Calcium, Magnesium, Vitamin D3
- Proprietary Formula for maximize efficacy
- Patented inactive D3: avoid D3 overdose, only transform to active D3 in human body as needed.

# Bioflex

Approved by CFDA

盈养季节

Health Food

## Bioflex

- Key Ingredients: BCM-95 curcumin, Calcium, Glucosamine, Chondroitin, Vitamin D3, Vitamin K2
- Proprietary formula for maximize efficacy
- Patented absorption technology, turn large cell into small molecular, increase absorption by 125%
- Patented BMC-95 Curcumin: Clinical proven to protect joint, anti-inflammatory effect. 100% pure natural curcumin, absorption rate 700% higher, fast relieve joint pain.
- Patented K2 MK-7: Clinically proven to help calcium absorption, improve bone density, and strengthen joint muscle tissue
