## ORIGINAL SPIRIT FLAVOURING

A value range of flavourings suitable for mixing with larger volumes of neutral alcohol or vodka, making up to 5 L (1.32 US Gal).

Flavourings and adjuncts tailored to allow you to build your own whiskey or gin taste experience when combined with other flavourings from the Profile Range. These flavourings are also available as a Gin Craft Kit or Whiskey Craft Kit which are a great option to get you started!

# HOW TO FLAVOUR YOUR NEUTRAL ALCOHOL OR VODKA

## STEP 1

Choose your Still Spirits flavouring. Always check the mixing instructions as most of the liqueurs, cream liqueurs and schnapps flavourings also require a base which is sold separately.

## STEP 2

Mix with neutral alcohol or vodka (and base if applicable) as per the instructions on the flavouring label.

## STEP 3

Enjoy your spirit or liqueur your way.
