

# Cresco Snow Blaster

Code: H595

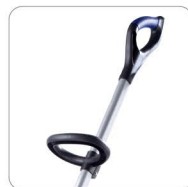

For Winter

The king of shovels! The snow blaster will blast through snow in seconds and its ergonomic handles provide pain free lifting of heavy loads.

## Product Description:

When looking at shovels, a durable metal edge is a must. It will increase the longevity of the product and help you cut through any loose ice.

## Unique Selling Points:

Two grip design makes snow removal easy and minimises lifting and stooping

Wave ribbed design reinforces blade strength

Durable metal edge increases cutting power and tool life

Multi-functional shoveling and pushing

## Weight & Dimensions:

Weight: 2.3Kg  
Blade: 30(h)x60(w)x50(l)  
Full Unit: 150x60x80

**right action**
