SAFETY NOTES

– To prevent possible hearing problems, do not use the headphones at
  high volume for long periods of time.
– Keep the equipment dry. Keep away from precipitation, humidity, all types
  of liquids and condensation.
– Do not use the product with wet hands.
– Do not use or store the equipment in dusty or dirty areas.
– Do not store the equipment under high-temperature or low-temperature
  conditions (this may damage it).
– Do not drop, knock or shake the equipment (use may result in breakage).

INSTALLATION

C.1 PC system
Connect the provided 3.5 mm splitter cable to the headphone. Each audio jack is
colored different (green for headphones, pink for microphone) or has an icon on it.
Connect each jack to the matching input on the sound card. Insert the USB
connector into a USB port on your computer.

NOTE:
This headset does not have a specialized driver and does not require one for
proper operation and functionality.

C.2 Console/mobile
Connect the 4-pin 3.5 mm jack of the headset to your device.

CONNECTION / INSTALLATION

USE

The microphone is mounted on a rotatable arm that allows adjustment
of its position.

TROUBLESHOOTING

In case of incorrect operation follow the steps below:
– Check the integrity of the connectors;
– Check the connection to the device;
– Check your device settings;
– Disconnect and reconnect the equipment; restart the device.
If the problem persists, please contact your local seller.

GENERAL INFORMATION

– Unauthorized repairs or disassembly of the product will void the warranty and
  may cause its damage.
– This product is safe and complies to EU requirements.
– This product is manufactured conforming with the European RoHS standard.
  This standard was introduced to reduce the amount of electrical and electronic
  waste emitted into the atmosphere.
– Using the WEEE symbol (the crossed-out bin) indicates that this product is not
  household waste. When recycling waste properly, you protect the environment
  and people health. Segregated household waste collection, aids recycle
  materials and components used for the production of this device. For detailed
  information about recycling, please contact your retailer or a local authority.
