

THE ANIMAL KINGDOM

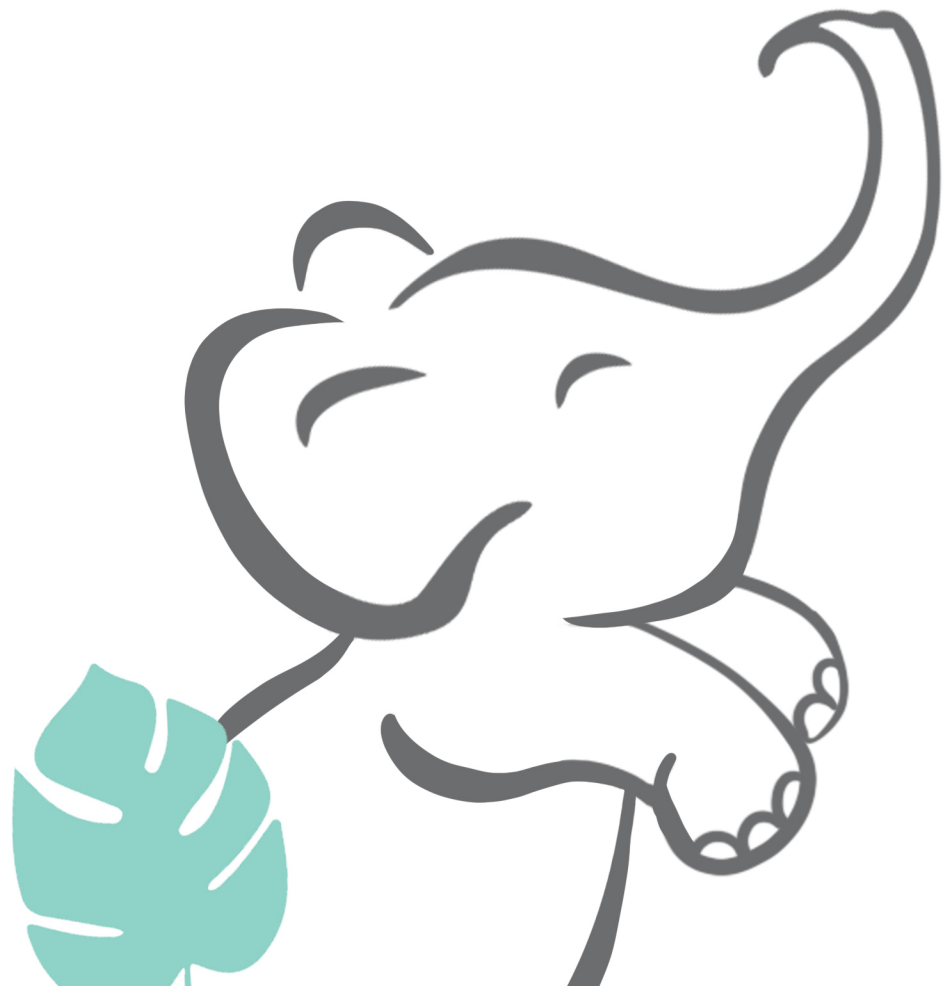

Little Moy wants to play!
She's brought you to the
Animal Kingdom today

Lion, Giraffe, and Squirrel love hide
and seek,
Can you find them without
taking a peek?

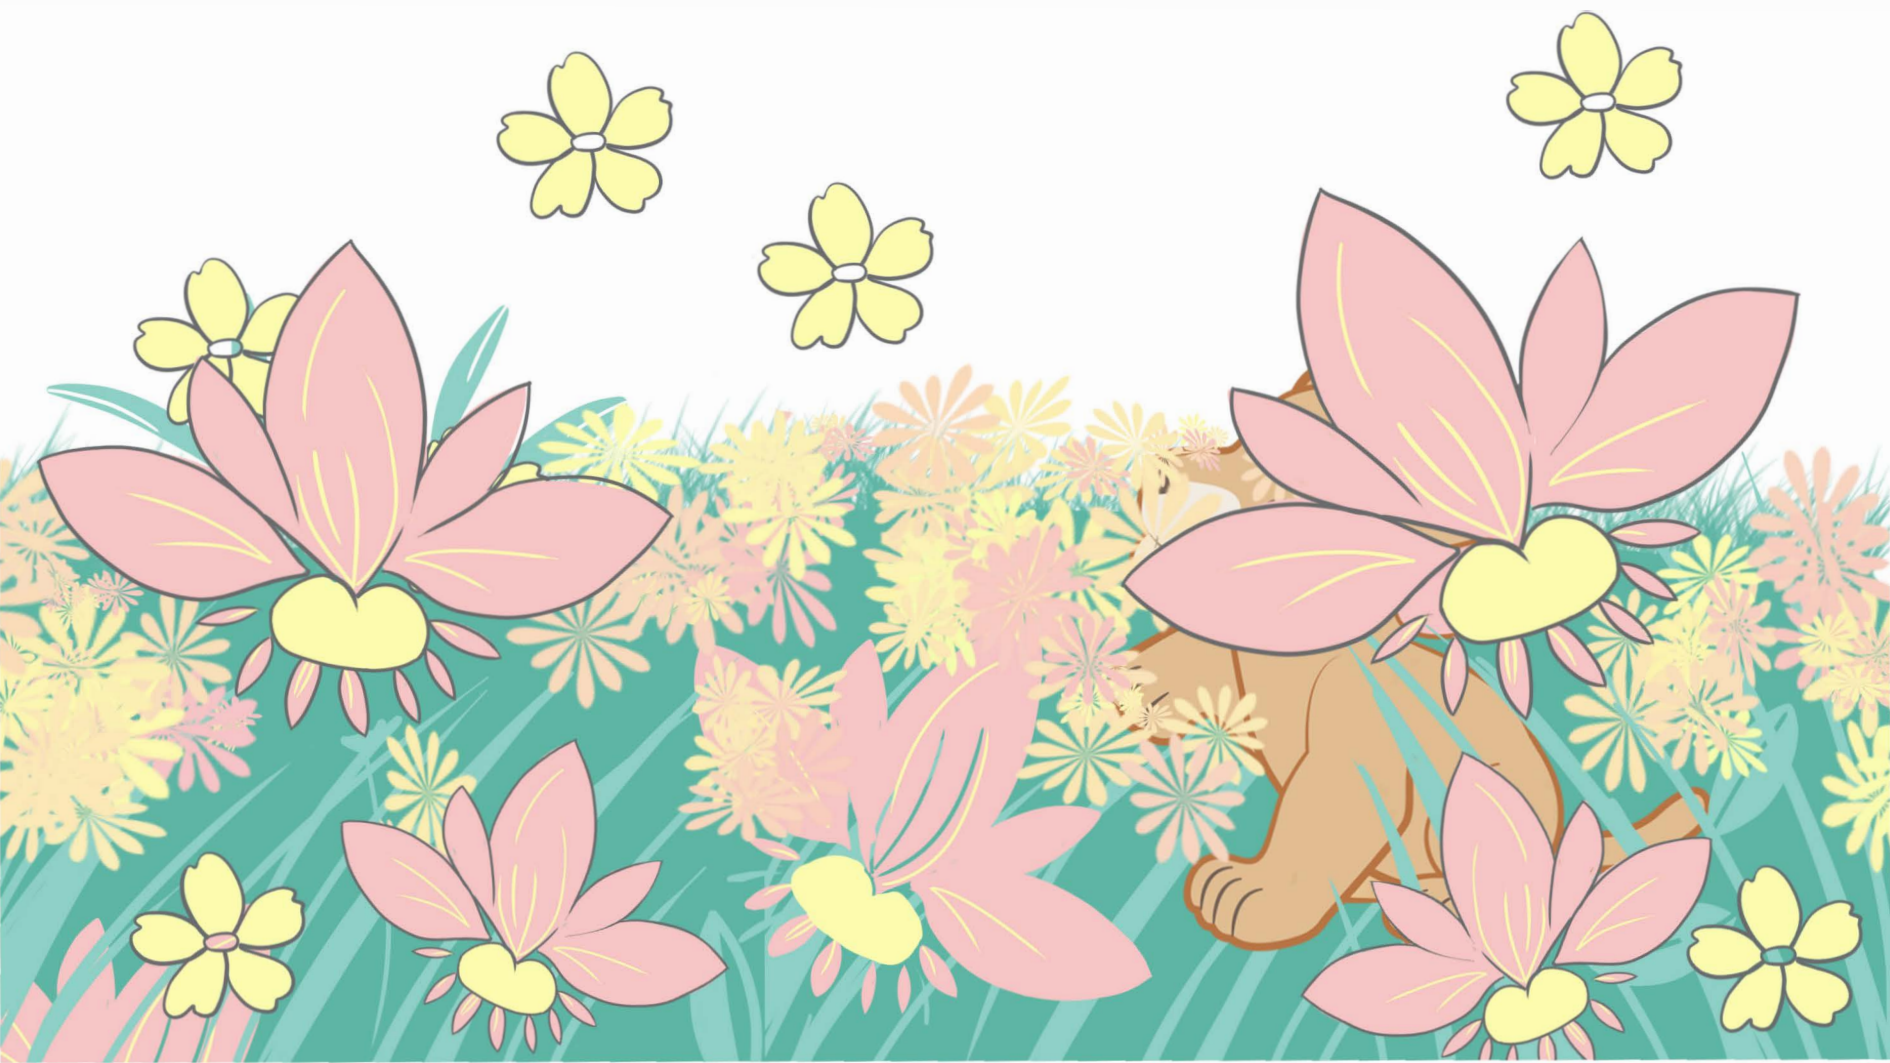

Close your eyes and count to 10,
Then see if you can find each friend.

1-2-3-4-5-6-7-8-9-10

Lion is in something
that smells sweet.
Can you see his furry feet?

You found him!

Now, where is Giraffe?

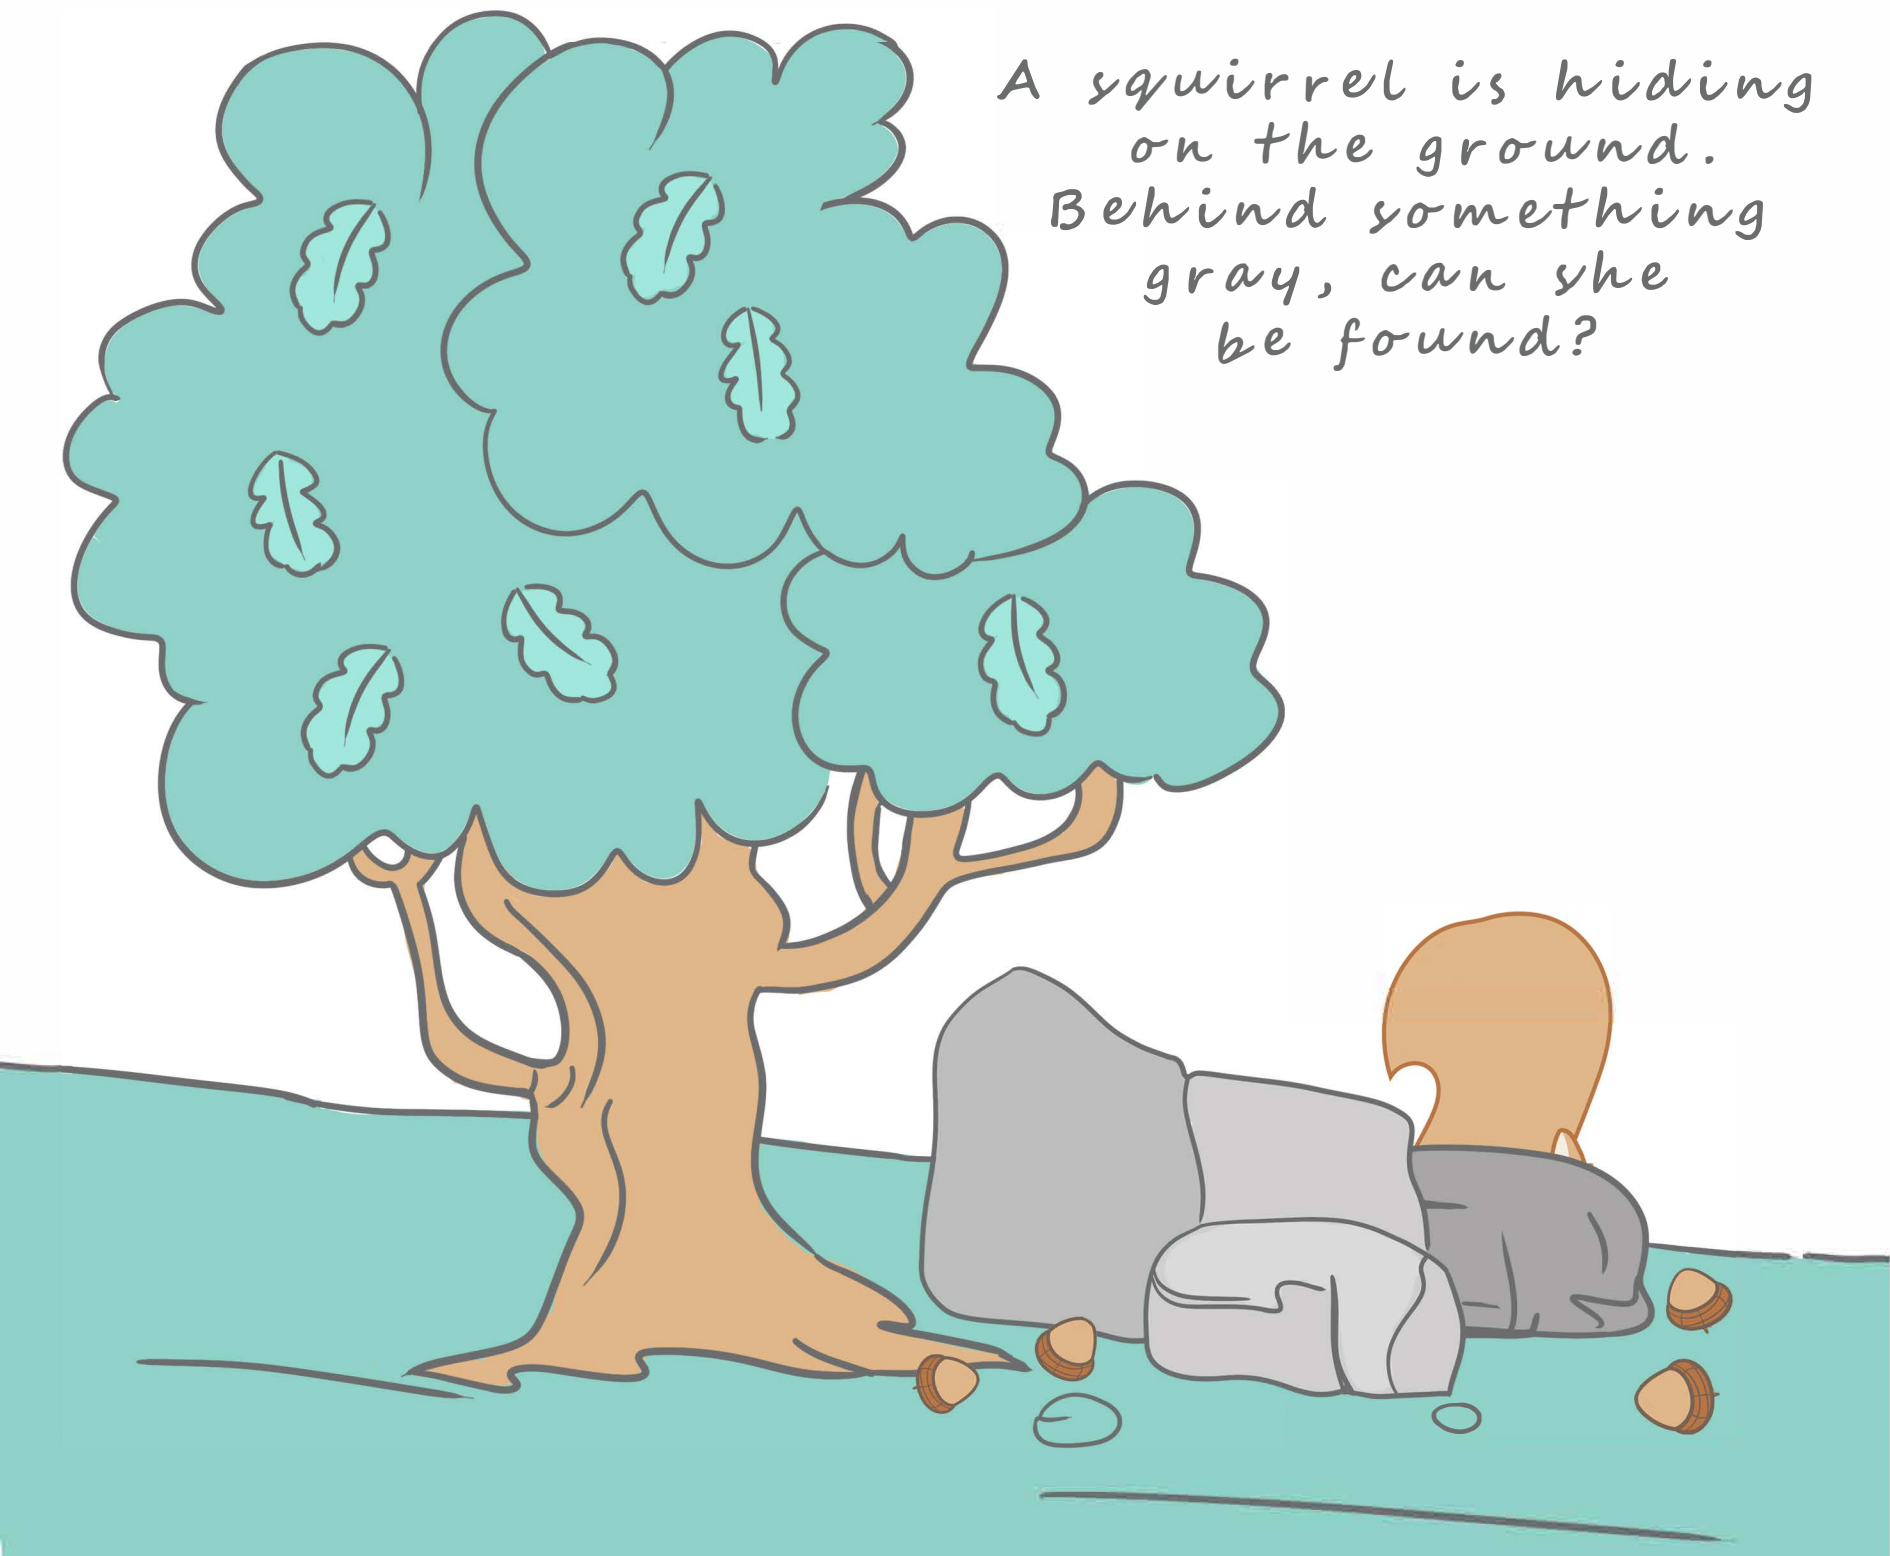

Can you see?

*She's hiding behind
something as tall as her!*

You found her!

A squirrel is hiding
on the ground.
Behind something
gray, can she
be found?

You found her!

Little Moy cheers
"You found everyone!"
The animal Kingdom
is so much fun!
