

BALD BAKER – ALLERGEN CHART – MAY 23 UPDATE

Our kitchen handles the followings **MILK, TREE NUTS, PEANUTS, GLUTEN (WHEAT/BARLEY), EGG, SULPHITES AND SOYA**

While we do have processes in place to minimise the risk of cross-contamination, we have a small kitchen & do not have segregated production lines, so cross-contamination of ingredients is possible.

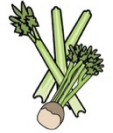

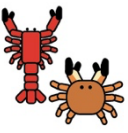

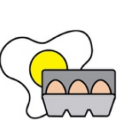

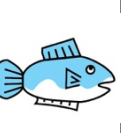

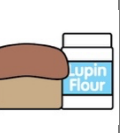

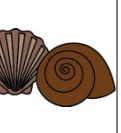

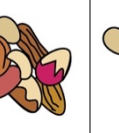

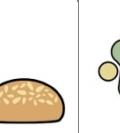

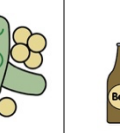

If you have a serious allergy to any of these allergens above, or one which could cause you to have a major allergic reaction, The only way for you to be 100% safe is not to consume any of the Bald Bakers products.
