

The image shows a screenshot of the Webex application interface. At the top, there is a search bar with the text "Search, meet and call" and a "Connect to a device" button. The main content area is divided into two sections. On the left, a profile card for "Officery.io" (pascal@officery.io) is displayed, featuring a circular profile picture and a menu with options: "Availability" (Active), "Set a status", "Edit profile", "Preferences", "Mobile download", and "Sign Out". A yellow arrow labeled "1" points to the profile picture in the top navigation bar. Another yellow arrow labeled "2" points to the "Set a status" option in the profile menu. The right section of the interface shows a "Webex" logo and a background illustration of a tree with colorful birds. Below the tree, the text "All spaces" is visible, followed by a partially obscured paragraph of text.
