SARGOSSA

Position: **Paid Internship as Graphic Designer/ Retoucher**

Available: **Immediately**

Length: **Full-time**

About Sargossa

Sargossa is founded by the Danish designer Nanna Liv, who started the business with a single question: "Why isn't it possible to buy luxury designer shoes with comfortable fitting?" After two years of extensive study and research Nanna launched the first prototypes in March 2014. Designed with the professional woman in mind, Sargossa brings functionality & comfort to the feet of style-conscious women. After six months in business Nanna Liv was nominated by Drapers as Footwear Designer of the Year and selected for the prestigious V&A exhibition: "Shoes: Pain and Pleasure". Sargossa has taken the media by storm. Recently suggested as the World's most comfortable high heels. Shoe lovers have traditionally had to make a choice between shoes that look good and shoes that are comfortable, but Sargossa bridges this gap sacrificing neither comfort nor style.

Who are we looking for?

We are looking for a student level graphic designer/retoucher to join a busy and fast paced team. You will be assisting with anything from photo editing, social media content, videos and print designs to photo shoots and brainstorming of new creative projects. You will gain experience in the role as a graphic designer but also on how it is to be a part of a start-up culture where everybody help and assist with various administrative tasks.

Necessary Skills/Daily Tasks

- Meet daily targets and deadlines
- Attention to the detail
- High quality retouching
- Maintain brand guidelines across all channels
- Create appropriate stories to each target media
- Incredible sense of detailing when it comes to creative tasks
- Desire to work in e-commerce fashion
- Have a good understanding of what the customer want to see visually from Sargossa
- Ability to multi task and manage time accordingly and to tight deadlines
- Adobe Suite: Photoshop, Illustrator, Indesign and Premier Pro

The candidate is proficient in the following fields: Graphic Design & Retouching

Our ideal candidate will be driven, hard working, dedicated and ready to take on any challenge and a big responsibility. We expect you to work well in a team as well as independently and are able to work within given deadlines.

Necessary Skills:

- Fluent in English
- Extremely creative mindset
- A natural passion for graphic design and fashion
