

# Detox Cleanser Shampoo

## Benefits List

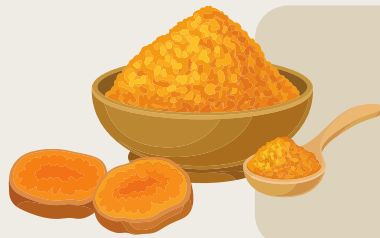

Helps resolve the scalp inflammation that dandruff causes. The fatty acids found in the aloe plant have anti-inflammatory properties.

Castile Soap can have a high pH. Shampooing in the order above helps to restore and maintain a healthy pH. Our product uses Peppermint Castile Soap.

Reduces yeast overgrowth on the scalp, reduces itching and other dandruff symptoms.

The antibacterial and antiviral properties of turmeric kicks out inflammations, from your body. It also serves as a natural cleanser for your scalp and helps in getting rid of dandruff

Antifungal agent helps kill the Malassezia fungus that irritates oil glands
