Size Guide

Every band deserves fanfare.

Use for Printing Accuracy*

*Designed to print on 11 x 17 paper

- How to Measure:**
- Stand and place the heel of your right foot on the bottom edge of the Fanfare™ Size Guide.
 - Read chart results by standing directly above your foot.
 - For length, measure from the end of the big toe to middle of heel. *If the tip of your toe is between sizes, order the half size.
 - For width, if your foot falls past the black lines, order a size in Wide.

- Measuring Tips:**
- First, reference the size of the shoe you are currently wearing.
 - Use this guide as a reference to double-check.
 - Be certain to look at the Men's Sizes or Women's Sizes to correctly determine your size.
