

GLASS REINFORCED POLYPROPYLENE CAM & GROOVE COUPLINGS

Product Information

Glass reinforced cam type couplings are lightweight and have good chemical resistance to a wide variety of agricultural chemicals. All sizes come with S.S. Arms. Available in sizes from 1/2" to 6"

Specifications

Body: Polypropylene

Arms: 304 Stainless Steel

Rings: Plated Steel

Pins: 301 Stainless Steel

Gasket: Black EPDM

Notes

**Not for use with compressed air.*

Part Number = PREFIX-SIZE (in decimal equiv.) i.e. 1/2" Part A = CGPA-.5

*** 1/2" have 3/4" couplers and adapters; 1-1/4" have 1-1/2" couplers and adapters.**
