

Do it yourself.

RS4 Home Football Table · Rafael Rodríguez

The RS4 Home football table has been designed to enjoy at home. For all ages. For sharing with anyone who dares to challenge you. For any moment. It comes with a manifesto in favour of real and authentic fun. Of playing as a family. Of switching off the TV, game console and mobiles to connect with friends. Of rediscovering the active games that make us leap and sweat with excitement. Of “do it yourself”. Because putting it together, makes you love it even more. And when the match starts, you set the rules of the game.

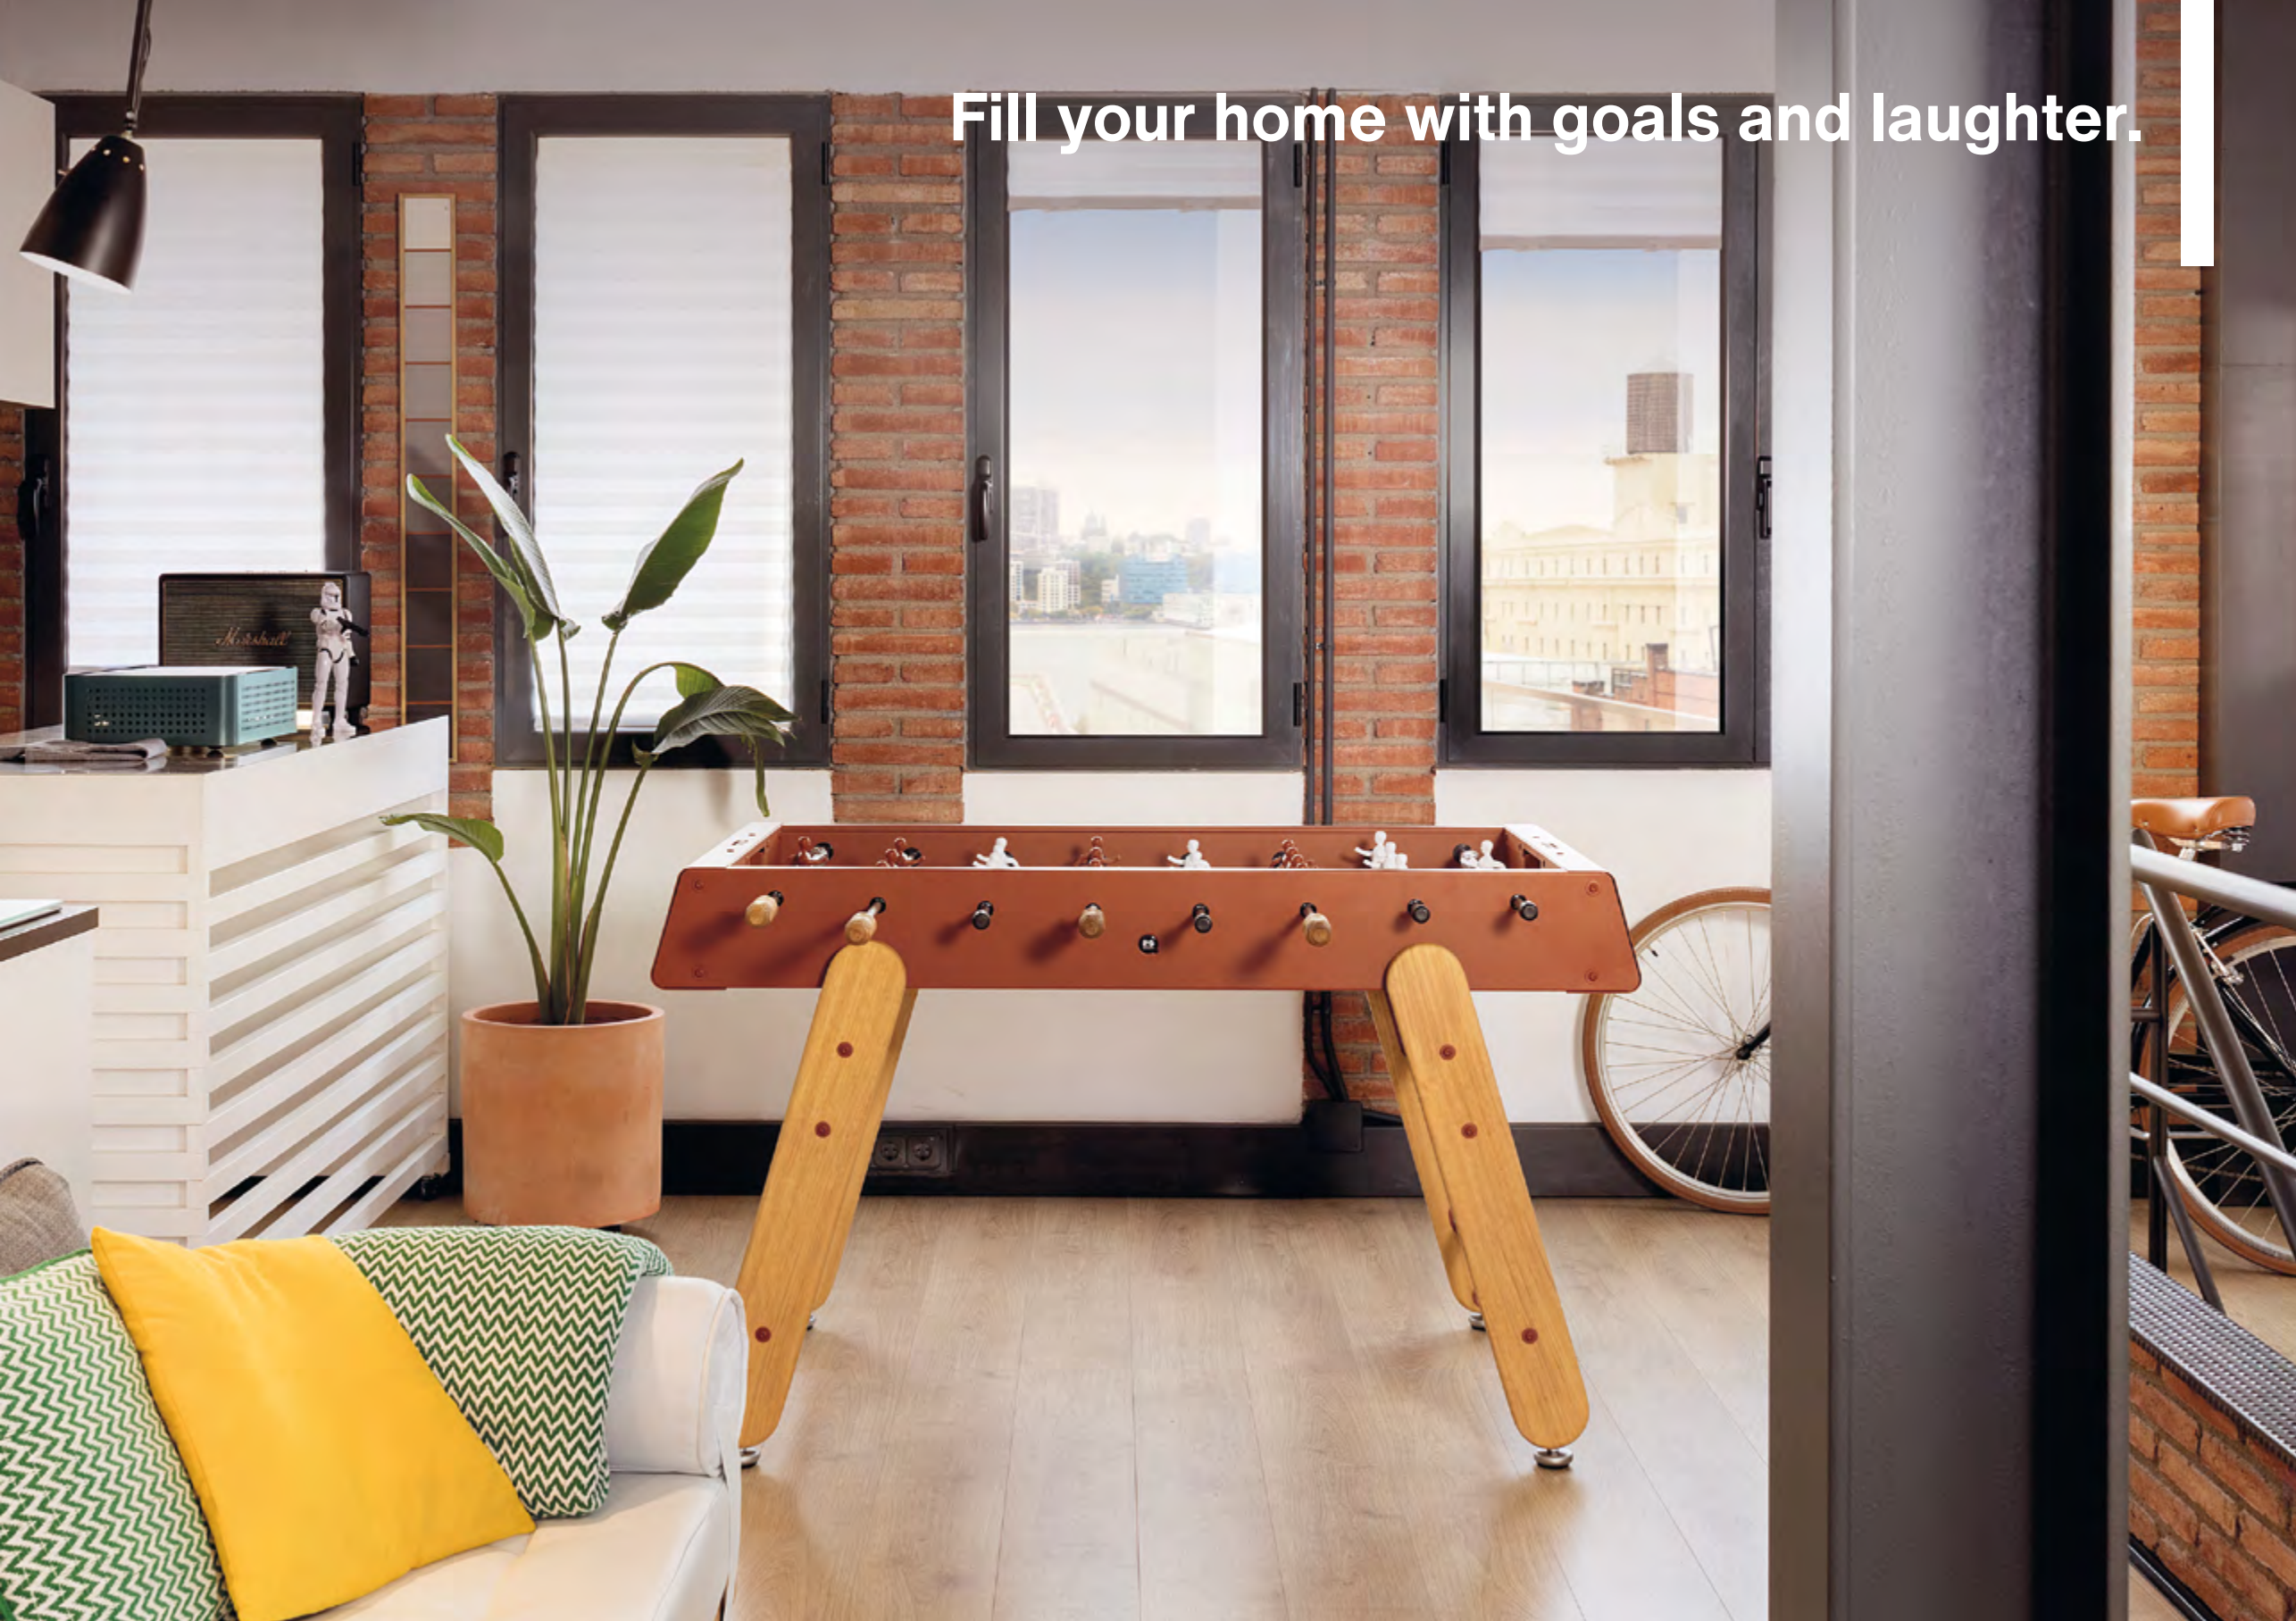

The RS4 Home comes completely unassembled to optimise packaging, facilitate shipping and reduce environmental impact without giving up design, high quality and playability.

El fútbol RS4 Home ha sido diseñado para disfrutar en casa. Para todas las edades. Para compartir con todo aquel que se atreva a retarte. Para cualquier momento. Es un alegato a favor de recuperar la diversión auténtica y real. De apostar por el tiempo en familia. De apagar teles, consolas y móviles para conectar con los amigos. De volver al juego activo que nos hace movernos, saltar, sudar y emocionarnos. Del “hazlo tú mismo”. Porque cuando lo montas, sientes que es más tuyo. Y cuando empiece el partido, tú marques las reglas del juego.

Viene completamente desmontado para optimizar el packaging, facilitar el envío y reducir el impacto ecológico. Sin renunciar al diseño, la calidad y la jugabilidad.

Fill your home with goals and laughter.
