

Floor Lamp

Standing at 6.5' tall, the Ontologia floor lamp hits multiple ends of multiple spectrums. Sturdy and grounded yet floating and airy, it's a statement piece that actually has something to say. Deconstructing its own materiality, the Ontologia floor lamp leverages everything from the light it emits to the connective cording to create a discourse on what it means to exist. While the whole is greater than the sum of its parts, each aspect of the arrangement conveys design intent.
