Helena Pendant

These vertically orientated pendants have been designed for large spaces that require a long vertical reach. They also fit nicely within design applications where a narrow shape is needed such as vanities, bedside, or offset in an entryway.

The three different sizes compositionally play well together while each offering unique advantages as individual lights.

Canopy Arrangements

Create stunning vertical installations with the Helena multi-pendant canopies. Our standard 3 light canopy comes with a small, medium and large pendant to show off the various proportions in this collection. With five large pendants, the 5 light canopy brings the beauty of repetition and incredible versatility in creating one of kind installs through simply adjusting cord lengths on site.
