

13" CUT RESISTANT SECONDARY LEATHER PROTECTOR

#1 IN DURABILITY

YOUNGSTOWN GLOVE SKU # 16-4200-13

Youngstown's 13" Cut Resistant Secondary Leather Protector is ergonomically designed to fit perfectly over Class 0 thru 00 rubber insulating gloves per ASTM F496/ASTM F696. We use the highest quality goat grain leather along with an innovative glove pattern to create a leather protector with unrivaled fit and dexterity.

This model features a lining made with Kevlar® fiber by DuPont™ throughout the entire glove and cuff to provide enhanced cut resistance, puncture resistance and flame resistance. We finish the glove with an FR Strap System to ensure that nothing on this protector will drip, melt or ignite if exposed to an arc flash.

ARC RATED	36 cal/cm ²
CUT RESISTANT	Level A3 (ANSI/ISEA)
PUNCTURE RESISTANT	Level 4 (ANSI/ISEA)
FLAME RESISTANT	Exceeds Industry Standards According to ASTM D6413
