You're never too young for a Jeep. Perfect for families on the move, this 3-in-1 Jeep Wrangler cart can function as a wagon for storage, a double stroller, or be attached to your car seat via the included adaptor. The wagon and stroller features are particularly useful for times when you plan to do lots of walking and know your kids may get fussy, like during a trip to the local fair or family outings. The detachable cooler bag, designed to hold up to 16 cans, can also hold snacks, drinks, and pouches of milk when you're pumping.
