The **Delta Children Emery Mini Convertible Baby Crib** offers a lot of versatility, ensuring you can get a lot of use out of it as your baby grows, including the ability to convert from a mini crib to a twin bed.

This mini crib is easy to build, made of wood, and weighs in at 38.2 lbs with the dimensions 41.25L x 25.75 W x 38.25 and a maximum weight limit of 50 lbs. A customer expressed, "I was scared at first thinking it would feel cheap, but it feels good quality. The mattress also is not too hard or too soft. It's great for small rooms."

Delta Children Essex 4-in-1 Convertible Baby Crib

\$175 ~~\$220~~ Save \$45

The Delta Children Essex 4-in-1 Convertible Baby Crib is stylish and modern. It adjusts well as baby grows and lasts.

[\\$175 at Amazon](#)

The **Delta Children Essex 4-in-1 Convertible Baby Crib** has uniquely angled legs giving it a stylish blend of retro charm and modern flair. Made with sturdy wood with dimensions 54L x 29.5W x 34H, this crib also adjusts as the baby grows, with the mattress height support having three adjustable levels.

One happy customer who has this crib says, "The crib itself is sturdy and simple. I also love it because since I'm short, I can place my baby in crib without hurting my back. So, if you are looking for a cute, simple crib that doesn't take up space and is easy to put together, this is it! I would recommend this crib."
