The Delta Children Rocking Bedside Bassinet is a lower-priced option that offers many of the same conveniences of more expensive models. It has ample storage, a removable mattress, and retractable and locking casters that make moving it a breeze. It has a neutral color scheme with jungle animals and the removable sheet is easy to clean.

With 1,800 reviews on Amazon and an average 4.6 out of 5 stars, people like this more budget-friendly option. A dad says, “This thing turned out beautiful & functional. My baby girl sleeps comfortably at night and the light sound & vibration are perfect for soothing a newborn back to sleep after their 3am feeding. Very happy with this product.”
