**Promising review:** "I'm seriously relieved. I'm 9-months pregnant and I've gone through a nightmare of trying to get a dresser for my baby. I got one from Target and it took weeks to arrive and was so broken, flimsy and cheap. I almost gave up. Then, I found this one and it's NOT PARTICLE BOARD. It's SOLID WOOD. **My husband was also relieved. It takes a while to assemble, but it's so worth it. It's the perfect size and looks so good in the nursery. Just buy it!!**" —[Brittany](#)
