**30 Very Smart Purchases From  
Walmart For Any Parent**

10. A **toy organizer** that'll keep your kiddo's toys off the floor and make cleanup a breeze when playtime is over. With three shelves (each with different size containers) there is room for all the different toys your little one has.

*Walmart*

**Promising review:** "My daughter loves it, and she is putting her toys and books in it. It's a good size for her." —[Mirabal28](#)

**Price:** [\\$43.36+](#) (available in three colors)

**26. A [toddler bed](#) so you can sleep peacefully knowing your little one is secure in their bed with guard rails. Plus, reviewers say the assembly is easy-peasy.**

**Promising review:** "We absolutely love this bed! We were on the hunt for a safe, attractive toddler bed for our 3-year-old son, and we found it here! It was so easy to assemble. Every part and piece was clearly labeled, and the instructions were clear and easy. Our son actually looks forward to bedtime now because he loves it so much!" —[Kaitlyn](#)

**Price:** [\\$86.02+](#) (available in two colors)
