Stroller. Wagon. Cooler. Organizer. This awesome Jeep **wagon** can do it all! Designed with all the convenience of a double stroller with the rugged durability of a wagon, this super-fun and *extremely* well-reviewed crossover wagon makes any outing a breeze. It includes a cooler, cupholder, front and back storage compartments, and swiveling front wheels. You can even pick up optional fat [sand wheels!](#)

It also offers a stroller mode, so you can attach an infant car seat to it (certain models only, using the including adapter). It also features pull-down shades and a removable canopy, and folds up to fit in almost any trunk or cargo hold.
