50+ Amazon Prime Day Baby Gear Deals On Strollers, Car Seats And More

Baby gear is expensive, no matter if you're stocking the nursery for your firstborn or just jumping up a size for your growing little one. That's why we parents are always a little *extra* excited when [Amazon Prime Day](#) comes along. Thankfully, there are still a few hours left of Prime Day—it officially ends at 2:59 a.m. EDT / midnight PDT—so you can still capitalize on those savings. Just make sure to checkout within the amount of hours left listed next to Prime Day-exclusive deals.
