

The 12 Best Nursery Gliders for 2022

Best upholstered nursery glider

Delta Children Emma Nursery Rocking Chair

- **Price:** \$\$\$
- **Dimensions:** 34.75 in. x 35.75 in. x 39.5 in.
- **Material:** wood rocker, microfiber upholstery
- **Delivery fee:** free unless you opt for expert assembly, which costs \$84.99

Why we love it: This fully upholstered chair would make a charming addition to your baby's nursery, but it can also be used in other rooms of your home once your little one is older. It has thickly padded armrests and a plush seat cushion for extra comfort. The sturdy wooden frame provides stability, and it's designed to prevent squeaking during gentle rocking.

Delta Children is a family-owned company whose chairs are nontoxic and made with renewable materials.

Delta Children is a family-owned company whose chairs are nontoxic and made with renewable materials.

What you should know: Some reviewers commented that they had trouble putting together, but just as many found it easy to assemble. Additionally, if you're over 6 feet tall, it may be too small for you and won't support your head and neck. This chair also does not include an ottoman.

Delta Children Kenwood Nursery Glider Swivel Rocker Chair

- **Price:** \$\$
- **Dimensions:** 26 in. x 31.5 in. x 37 in.
- **Material:** wood rocker, luxe polyweave fabric
- **Delivery fee:** free unless you opt for expert assembly, which costs \$84.99

Why we love it: This slim glider may take up less room, but it's still comfortable for those unexpected nap traps (e.g., when baby falls asleep on you, and you're forced to rest... maybe the best part of having a baby!). It's a great choice if you're working with a smaller space but still want a stylish

piece.

This glider rocks and swivels and comes in gray, light blue, and charcoal. It's made with nontoxic and renewable materials.

This glider rocks and swivels and comes in gray, light blue, and charcoal. It's made with nontoxic and renewable materials.

What you should know: This chair went through a very rigorous testing process to ensure its durability.

Most comfortable nursery glider

Delta Children Dylan Nursery Recliner Glider Swivel Chair

- **Price:** \$\$\$
- **Dimensions:** 34.5 in. x 35.75 in. x 40.25 in.
- **Material:** alloy steel; woven fabric
- **Delivery fee:** free unless you opt for expert assembly, which costs \$84.99

Why we love it: Here's a glider that you can plop right into your living room without it looking like it was a leftover from your baby's nursery (even though it is).

This recliner is gorgeous, featuring pocketed coil spring construction and a farmhouse-style design. It swivels 360 degrees and has a gliding mechanism made from durable steel so it shouldn't squeak as you rock back and forth. It has two reclining positions.

Like all Delta Children chairs, it's made with non-toxic and renewable materials. Reviewers have commented that it's still suitable for parents who are taller than 6 feet.

What you should know: If you're on the shorter side, the footrest may be harder to push down. Some reviewers commented that it was hard to close.
