The Delta Children's Bentley S Convertible Crib and Changer name says it all. The 5-in-1 Convertible Crib and Changer fits in small to medium nurseries and grows with the baby. It offers surface space to change baby with a full-size bed that can convert from a crib to a toddler bed, sofa, and daybed.

And if that doesn't sell you, think: storage. This fabulous crib is a stylish piece of furniture and provides extra drawers for extra space, which she will need with a newborn.
