

Compact and Collapsible Travel Strollers For Planes and Trains

Amazon

Jeep PowerGlyde Plus stroller by Delta Children

Amazon rating: 4.5 out of 5 stars

Only 13.8 pounds, this smooth-riding stroller features an oversized canopy for sun protection, an extra-large storage basket and swivel front wheels for better control while steering. It can folded into a compact size for everyday travel. It's safe for children ages 6 months and up, and up to 50 pounds. It comes in gray and black.

Promising review: "Looking for a sturdy, 'heavy duty' umbrella stroller- this is it. We wanted one for vacation and this didn't disappoint. BONUS it's tall enough for my 6'6 husband to push without a problem. Turns on a dime, folds up easily. Best money spent on a baby item." — [Cassie](#)
