Chanukah Gift Guide
2022 Part 7

Wow, I can't believe this is the last part of my Chanukah Gift Guide for 2022! I hope everyone has enjoyed the tremendous amounts of ideas I have brought to you. If you didn't find anything I suggest you read it through again. Enjoy! 😊
Jodie Maaz
See you next year!

babyGap 2-in-1 Carriage Stroller

This incredibly versatile stroller easily transforms from infant carriage to a reversible toddler stroller that allows the baby to face you or the world. Designed for the future in every possible way, it features fabric made from recycled water bottles. A great choice for your child and the planet, this convertible stroller is outfitted with an adjustable position reclining seat, swing-out leatherette child bar, extendable, soft knit canopy with peek-a-boo window that blocks the sun and tons of storage. The extra-large storage basket and removable parent organizer ensure there's always enough room for your family's on-the-go essentials. This stroller also opens and closes with one hand.

Personalized Cozzee Sherpa Chair

A snuggly spot for reading, watching TV or just hanging out, this supremely comfy chair features a Sherpa slipcover that adds texture and comfort, plus it's removable and machine washable for easy cleaning. Perfect for the playroom, living room or your child's bedroom, this kids' foam chair goes anywhere they do--the lightweight design with handle on top is easy to move from room to room. Recommended for ages 18 months+.

PAW Patrol 4 Seat Activity Picnic Table with LEGO Compatible Tabletop

Made from weather-resistant plastic, this durable picnic table sits four kids comfortably, and can be used outdoors or indoors for eating, playing, art activities or games. There are so many ways to use this sturdy picnic table. Colorful graphics of Chase, Marshall and Skye and three-dimensional paw prints add playful style while four built-in cup holders keep drinks securely in place. Designed to boast and encourage your child's imagination, the table also features a removable building block board that is compatible with the most popular building blocks.
