

## Islanders Helping Military Families on the Home Front

The Islanders teamed up with Operation Shower and Ryan, LLC to throw team's third baby shower for expecting military families

In addition to the shower in a box, everyone was gifted a crib from Delta Children, as well as a rockaRoo® baby rocker. The families were also gifted with a Frida Baby gift set, a cooking scale, a baby monitor, a Stop & Shop gift card, a Yumi care package and Diaper Genie's. Financially, kids' stuff adds up quickly and this type of material support goes a long way, as well as just saving the time to go out and buy or restock the essentials.
